The runner's trail was a bit over 6 km (without checks) and the height difference some 80 meters (mainly uphill). After some while, the GM managed to get the frisky circle to calm down and start behaving, as it becomes the attenders of **Pattaya Hash House Harriers**, and welcomed everyone to the circle of **Pattaya H3 Run #1766** with appreciative cheers from the runners!

The first action by the GM was to place the wife of **BOB-A-GOB** in the bucket, as she was a litter-bug! **BOB-A-GOB** got iced for not informing her of that when in **Thailand**, don't litter! In order to help her to remember that you may not throw garbage, she was awarded with the beautiful local interpretation of the typical Australian Swagman hat and is forced to wear it, until the circle decides otherwise.

Thereafter **RAT VON KIEL** was put on the ice, because he had his wrist "rectified" when falling off a motorbike. That was when coming from the **New Year's Day Run**, so it was in connection with the Hash, and therefore a major Hash-crash! To prevent further serious bodily injury, **RAT VON KIEL** had to wear the "**Hash Crash Helmet**" for the remainder of the circle. While he was there, he was also put in the bucket for being 40 minutes late when the Hashers were going home from **Cambodia**, **RAT VON KIEL** had not understood that in case you use your mobile as alarm, you occasionally have to recharge the battery!

After that GM got down to the vitals, and the hares were told that, as the run was completed (and almost everyone had returned), they could now relax and cool down a bit, for instance by taking a seat on the ice. The GM asked the circle what they thought of the run and the crowd voiced much appreciation:

- The runners had their fair share of running
- Those who like mountain climbing got their share
- No crossing through pineapple fields was appreciated
- Some trails and newly sifted fields offered a great possibility to get your shoes full of sand!

Then the GM invited **KARAMBA** (no ice!) to credit him for bringing his daughter to the run, not just to run, but also explain how farming is done: "*Look, here they used fertilizer.*", "*This is irrigation.*", "*This is tapioca.*", "*Here they grow pineapple*", etc., etc. A very good example of how to get children interested of the nature and more Hashers are invited to follow **KARAMBA**'s example!

The hares were dismissed from the ice and **SIR FREE WILLY** was invited to do the **Raffle**. This Monday the **Raffle** consisted of 10 nice prizes, several of them highly sought after! Not wishing to be tedious (and perhaps for lottery tax reasons), I will not mention who won the prizes: the quickly apprehended bottle of whiskey; the very nice toast oven; a large bottle of wine; a large box of cookies; a large box of Ferrera Rocher Hazel Nut confectionery; 4 bottles of cider; a beautiful reading lamp (same winner for those two!); a pair of Aussie HHH shorts; some violent toy guns; and last, but not least, not less than **THREE** pairs of ladies unmentionables, each just slightly larger than a post-mark!

When the **Raffle** was completed, the circle was handed over to **EMPEROR AIRHEAD**, who immediately iced the hares, not for the run, but for their "*colourful, less traditional frocks, that almost had a religious charisma*"!

Next **EMPEROR AIRHEAD** pointed out, that **PH3** is extremely fortunate to have such a dedicated member as **VV** and his beautiful wife **TWO TIME**! Not only do they run the beer truck, buy all the beer, soft-drinks, water and ice, arrange **BBQ**, fix food, get the truck repaired when necessary, but also does the haring! It was not entirely clear how many runs **VV** has hared, but it is more than 160 and that is more than twice as many as anyone else! **TWO TIME** and **VV** are true Hashers and were

given a loud and honest cheer by the circle!

When the hares had left the ice, **EMPEROR AIRHEAD** invited **FREE WILLY** to have a seat, and also **TURD BURGLAR**. After some small talk, **FREE WILLY'S LOVE CHILD** – who got his name last Monday as you all remember – was also ushered forward and offered a cold seat. After some digression into religious matters, it became clear that **FREE WILLY** (who went on vacation last week) was not all together pleased with the name **FREE WILLY'S LOVE CHILD**, so despite that the carrier of said name had no objections, **EMPEROR AIRHEAD** decided that **FREE WILLY'S LOVE CHILD** ought to be renamed and his new name is hereafter **FREE WILLY'S PORK CHOP** (or just "**PORK CHOP**")!

Due to a small misunderstanding, those who were virgins last week, were not properly initiated at that time, so they were called forward today by **EMPEROR AIRHEAD**. In total it was eight persons coming forward, but three of them were virgins this week and one was a guide, so obviously not all of them paid full attention to what **EMPEROR AIRHEAD** said, but they got their down-downs and were thoroughly welcomed to **Pattaya H3**!

After this initiation, **EMPEROR AIRHEAD** handed the circle back to **GM** who joyfully iced **ARSE-HOLEO** and **DIRT LOONEY**. It had been brought to the GM's attention that **ARSE-HOLEO** and **DIRT LOONEY** had been seen singing karaoke together, so in order to prove their skills – or innocence – and were not allowed to get out until they could sing the same song...

GOLDEN DILDO was iced. He had brought a **Canadian** friend last week who needed a proper **Hash Name**. We all know that the Maple Leaf is the national symbol of **Canada**, but also the North American beaver (*Castor canadensis*). Consequently, our new member got the Hash-name "**ANGRY BEAVER**".

Moving onwards **RAT VON KIEL**, **WHORE IN THE WINDOW** and **ARSE VAN HOLE** were iced. Despite being **Belgian**, they have regretfully – in GM's

eyes – on some occasions not been fully verbal in **English**, so in order to convert the circle to a bit of an evening school and give further education to some of our members, **GM** invited **PENELOPE PITSTOP** to assist him in the teaching, demonstrating where the “elbow”, “head” and “bum” are situated. All of a sudden **GANGREEN** intervened into the circle and suggested “prostate”. When called by the **GM** to himself demonstrate where it is located, **GANGREEN** refused!

When the circle was handed over to **WANK-KING'S WANKER**, **NA-HE-MAN** was called forward as he had done **50 Runs** with the **Pattaya Hash House Harriers – GOOD WORK NA-HE-MAN! NA-HE-MAN** to speak to **FREE WILLY** in order to get a personally designed memorial shirt. **NA-HE-MAN** showed his gratitude by putting **FREE WILLY** on the ice! Then **NA-HE-MAN** sang an especially composed song in the honor of **FREE WILLY** and it was highly appreciated by the circle!

Our **GM** then invited **SCAR W/2T'S** to lead the circle, and he called **ROCKY BALBLOWME** to the bucket and **WANK-KING'S WANKER** to the ice for talking in the circle. After that **GM** on the ice, **BOB-A-GOB** in the bucket and also **MENSTRUAL DISORDER**, all for talking. The **GM** was a little bit out of himself at last run, walking around with his Coca-Cola. **LORD CHICKEN FUCKER** was called, entering with a nice pair of string panties on his head, after some reprimands for last week's circle, **GM** and **LCF** were sent too the bucket.

When circle was handed back to the **GM**, he immediately iced **SCAR W/2T'S** as revenge. Thereafter he called **EXTREMELY VIOLENT BASTARD** for last week's scribe. It could not had taken him more than 15 seconds to complete and the hashers demand a bit more, in particular as the hares had made a big effort to make it a memorable run, spending quite some money on food, playing live music etc. Asked who his best friend was, he named **POT MY BROWN PIPE**, so both of them were put in the bucket as a warning for poor scribes!

GM handed over the circle to **LORD CHICKEN FUCKER** who immediately iced the **GM**. **LCF** talked a bit about his beautiful string panties, intending to use them as ear-warmers when going to **England** in March. After that he iced the **Slovenians** because one of them has a hairy ass. Then he complained a bit about the road construction in Boy's Town, but also that every time he was there, he

saw some fellow hashers, last time he saw **BORING PRICK** and “**SALMONELLA**” (**GANGREEN**).

Thereafter anyone who wanted was invited to sit on the ice, so **GOLDEN DILDO** and **ANGRY BEAVER**, **NA-HE-MAN**, **BORING PRICK** and **PHANTOM** all volunteered and were rewarded with a nice song. Then **SCAR W/2T'S** was iced for wearing make-up a couple of weeks ago, even though it actually was black eyes from his clash with the Frenchmen...

Then the circle was handed over to **NO MORE CUM**, who said that most of the beer was finished, so he iced one guy for holding an un-opened can and two others for talking, then he sang a very nice song where the entire circle participated in the chorus, before handing the circle back to the **GM**.

GM said that there were only 3 down-downs left, so those were given to **ARSE-HOLEO**, **SUGAR DADDY** and **NA-HE-MAN** for their great singing voices, so they could lead the chorus for the **Hash Hymn**.
