101 Hashers this week!  
Hares: Tampax and Pole Fucker

Run 1766 began innocuously enough, the afternoon was cool and dry, with the A-site positioned in an orchard, providing good coverage with an abundance of mosquitoes.

First observations – we are missing our Baleen Cetacean, better known as **SIR FREE WILLY**, an integral part of the Hash. So, no awards, no Raffle and no rags for sale. Prior to **SFW** leaving, a dummy was seen flying through the air – no retrieval was attempted.

**GM** called the circle and the usual processes and procedures were observed, passing control to the hares. With the usual run explanation out the way the hares then shared their innovation – *Hash Halt*. At some point in the run you are to stop and wait 10 minutes, for 10 runners to assemble, before moving off. Excellent, this assumes the runners have something to measure time, are familiar with numeracy, can follow directions and the total number of runners is a multiple of 10. If the last group has less than 10 runners they may be there for some time but that loss is considered acceptable collateral damage.

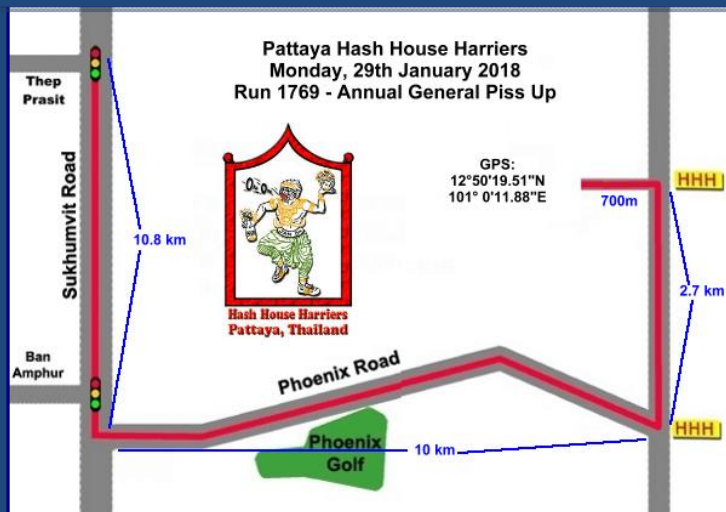

So the runners set off on what was an enjoyable 7 km run. There was of course some water to cross. I found watching **LONE WOLF** negotiate the water crossing intriguing. Standing on the bank he placed one foot on top of the water, holding it there, then stepping off the bank. Of course his foot broke the water, and he returned to the position on the bank. He tried this several times before angrily wading through the water muttering to himself. Seems like he still thinks he can walk on water.

Many thanks to the Hares and team **VV** for providing the Hashers with an excellent meal of Chilli Con Carne – very generous gesture.

**GM** called the second circle and immediately iced **BORING PRICK**'s girlfriend followed by the presentation of **Hash Trash**. Protests came thick and fast as the **GM** tried to impress upon her, as a **Thai**, she should not trash her country. Just for clarity the **GM** asked her to confirm that she was born in **Thailand** to which she replied '*Naklua*' – sadly, the lights are on but nobody's home.

Not for the first time, but a little unusual, the landowner joined us in the circle. As you can imagine the landowner was more than a little interested in the rabble which had gathered on his property. As the **Thai** gentleman spoke no **English** the **GM** called for an interpreter. As luck would have it the **Belgian** that knows everything stepped up and began conversing with the owner in what I thought should have been **Thai**, but the blank stare on the owners face suggested a third language was now being spoken. Everything sorted, the owner was happy and the **Hash** presented to him a bottle of whiskey, as appreciation for the use of his land. Unfortunately it turns out he doesn't drink – that's awkward, but we didn't stop there – the **GM** told him he was welcome to stay – very magnanimous of us, it is his land.

On to further business – **RAT VON KIEL**, while reclining in the bucket, was relieved of **Hash Crash**. The hares then assembled on the ice but

### A-Site Mis-Directions:

From Soi Thep Prasit follow Sukhumvit Road South heading towards Sathahip. After 10.2 km, turn left just after the Ban Ampur traffic light junction onto Phoenix Country Club Road. Follow this road for about 10 km all the way to the end and then turn left (HHH) onto Hwy 331. Continue North along the 331 for 1.8 km and turn left (HHH) into the track opposite the Police Station and continue 700m to the A-Site.

forgot their Down Down's – when questioned by the **GM** how this had happened, **POLE FUCKER** said he only gets Down Down's in **Pattaya**. There is only a marginal resemblance between **POLE FUCKER** and **BORING PRICK**'s girlfriend, but there is a strong family trait.

The **PH3 Choir** was happily in attendance, singing strongly. **DIRT LOONEY** took lead with backup from **GENERAL KIDNEY WIPER** and **SIR REALLY SADISTIC BASTARD**, with **WEE MOANING WEASEL** singing falsetto.

**EMPEROR AIRHEAD** was passed control and immediately iced Wiggo. For some background Wiggo is **ODD-JOB**'s mate, lured here by **ODD-JOB**, on the promise of a no cost holiday in the '*Land of Smiles*'. As the **EMPEROR** explained Wiggo lives in the jungle with **OJ**, as **OJ** hares many runs, with virtually no human contact. I'm not sure but I thought I saw Wiggo 'signing' from the ice, as he had his back to **OJ** – 'please help me'. Wiggo, due to his isolation has lost the power of speech, so the **EMPEROR** named him **VEE GO**, so to not challenge him too much, as he was demonstrating some of the behaviors of **POLE FUCKER** and **BORING PRICK**'s girlfriend. Two virgins were then called into the circle, surprisingly they were not from our usual hotbed of recruitment, namely **Belgium, Slovenia** or **Norway** – they were in fact **English**. While we suffer intolerably from **THE WIZARD** he is a constant reminder of the whining to be expected from this breed, do we really want more?

**GM** assumed control and immediately iced the **Belgians** – **UNSTABLE LOAD, RAT VON KIEL** and **ARSE VAN HOLE** for talking – imagine that.

**Hash Name Events – 1**

Wiggo Carlsen was given the New Hash Name VEE GO.;

**Saints and Sinners – 1**

Thitarat Puttha - Hash Trash - Caught littering the A-site.;

**Birthdays – 1**

Happy Birthday, BALL RINGER - 18 January.

**BALL RINGER** was also invited to take a seat with **BEN 10**. **BEN 10** was proud to announce his Dad's birthday, which quickly became the least of his thoughts after seeing the birthday cake. Apparently this was too much for the **Belgians** and except for the **RAT**, went home. Come back guys, all is forgiven.

**LADY TADPOLE** and **TWO TIME** took their seat on the ice to acknowledge their significant contribution to the Hash. **TADPOLE** spends her time chasing people like **BORING PRICK**'s girlfriend, picking up after her. **TWO TIME** spends her time supporting team **VV**.

Here we go – **WANK-KING'S WANKER** takes the circle to acknowledge any awards and **GERMAN SHEPHERD** is called in. After much smiling, back slapping, beer sipping and a couple of private jokes we get around to acknowledging **GS**'s **300 Runs**. Starting way back in 1991. The awkward question of how many hares has **GS** done wasn't appreciated, but it also wasn't going away. It would seem 2 hares is the answer, or <1% of the total number of runs, is another way of looking at it. The shirt to acknowledge this achievement, will be presented when a certain Baleen Cetacean has recovered. Surprisingly, we seamlessly move on to **GENERAL KIDNEY WIPER** and his extraordinary achievement of **800 Runs**. A similar IOU was issued for a shirt, with the same caveat.

**GM** takes back the circle and quickly acknowledges **LOVE BOAT** for being polite – apparently she said 'please' when asking for a beer. Yet I say 'thank you' – and not a word is said.

Control over to **NO MORE CUM**. Someone, to remain anonymous, mentioned to me **NMC** reminded them of a cross between a Ninja Turtle and the Beatles. I see the turtle but I didn't see the Beatles, until they showed me a picture of Yoko Ono. Anyhow, **RAT VON KIEL** is called to the ice as a surrogate for **UNSTABLE LOAD** and had **Hash Crash** returned. Apparently **UNSTABLE LOAD** was, well, unstable, on the run and now wears some very fashionable head protection. **GERMAN SHEPHERD**, **TOSSA** and **ARSE BANDIT** were punished for their loyalty to a questionable soccer team. **TURD BURGLAR**, **LONE WOLF** and **PHANTOM** called to the ice. **TB** and **LW** were reminded of their indiscretions in **Cambodia** while **P** was there as a surrogate for **ARSE-HOLEO**, who also tainted **Cambodia**.

**GM** quickly takes the circle to punish **FLATULENCE** for failing to offer his virgin when called to do so.

Circle goes to **SCAR W/2T'S**, just as I was reminded of a song – '*There's a Kind of Hush All Over the World*'. Of course **Hashers** have the attention span of a Nat, and the noise quickly returns only to be met with dire threats of beheadings, castrations etc. **Virgins** were called in, as they were incorrectly attired – only to escape penalty due to the aforementioned dummy spit.

**WHORE IN THE WINDOW** was iced for holding up the song tau, not sure what he was doing so if I say relieving himself that covers all the bases. **NMC** was iced for complaining about being offered extras in a massage – tell me it's not true – apparently he/she was Semitic and offered him the first mitzvah.

The **HUNGARIAN HOOKER HUMPER** made an appearance in the bucket. **SCAR** was obviously impressed with **HHH** skills as a ninja and asked for a demonstration – perhaps, get out of the bucket, jumping into a tree in under a second. The instrument needed to record the ninja's speed would best be described as a calendar.

The circle work ended with a little culture, as *Pattaya Hash Heralds* sang a song – lead singer **TAMPAX**, on percussion **DIRT LOONEY**, as a visual distraction **PENELOPE PITSTOP** and the polite **LOVE BOAT**, banging away... on her tambourine. Hash Hymn followed.....
