**FREE BEER FOR ALL THE HASHERS:** In celebration of Super Bowl #52, **GM MENTAL DISORDER** proclaimed 52 weeks of free beer for all the hashers at the **Pattaya H3**. The Beer Police have been instructed to help hashers carry slabs of beer to their private vehicles or to the baht busses for anyone who thinks he might get thirsty at home during the coming week. The beer truck is now equipped with several wheel barrows so hashers won't hurt their backs while carting out all that beer. In 26 weeks, this initiative will be carefully scrutinised to see if the **PH3** needs to order more beer each week.

**BALL RINGER** was so thrilled on hearing this news that he performed a one-legged jig while instructing young **BEN 10** and his lovely mother to help the Beer Police load up his car, and a trailer he brought to the hash this week in anticipation of this announcement. The foreskin transplant on **BALL RINGER**'s knee was apparently so successful that his now leg stiffens whenever he sees **BOLLYWOOD** on the ice.

**TADPOLE RIDES AGAIN:** Another magnanimous announcement from the **GM** was his approval for the purchase of a Vacuum Tractor for **DUCHESS TADPOLE**. She will now be able to ride this vehicle on all future trails, cleaning the country side of litter left by the hares, the neighbouring farmers, or any creatures large or small that may have inhabited the region during pre-historic times. When asked whether she preferred a BMW or Mercedes Tractor, **DUCHESS TADPOLE** replied that she would prefer one of each so she could drive one during the week and clean up Second Road on her way to work. The **GM** called on the **Beer Hunters** to follow along behind **TADPOLE**'s Tractor, and pick up any trash that she might miss. A special

**A-Site Mis-Directions:**

Drive South from Soi Thep Prasit for 14.9 km to the entrance to Nong Nut Gardens. Continue for another 2.9 km and turn left into Soi 12 (HHH). Proceed along this road for 4.2 km and shortly after crossing the railway tracks turn left into a dirt track (HHH). Proceed for about 600m to the East shore of Huai Tu 2 where you will find the A-site.

**Beer Hunter** Harness will be custom-fitted so these laggards do not fall too far behind **TADPOLE**'s Tractor.

**THE PLOT THICKENS:** **FREE WILLY** revealed that he is the brains behind the entire **PH3** mismanagement team. **FREE WILLY** humbly admitted "They are my hand-picked puppets who follow my orders without question, or nothing would get done around here. Without my leadership the **PH3** would sink into oblivion, or worse yet resemble the "other so-called hash" that reportedly runs near **Pattaya** every other week".

**A TRAIL OF 2 CITIES** by **Charles Dick-Ins:** The long and short trails were both precisely 3-kilometres long this week due to the constant whining of the Runners who complained that they didn't think it fair that the Walkers arrived back with ample time to "freshen up" before the real hashers returned all hot,

sweaty, scratched up, and so knackered that they can barely find the beer truck. The **GM** assigned the **Beer Hunters** to do both the long and short trails next week to determine if this complaint has any merit, or if it is utter bull sh\*t like we occasionally encounter on trail, but much more often in the circle afterwards.

**THE CIRCLE OF LIFE by Sir Elton the Fudge-**

**Packer:** The mere mortal Werner was christened with a proper Hash name, “**MARILYN THE HARBOUR SLUT.**” **BEVERLY HILLS PINK COCK** was reprimanded for shortcutting across the pineapple patch, and then lying about it to the **RA**. **FREE WILLY** managed to empty most of the ice from the bucket when he emerged from his throne with an ice-coated arse. Not a pretty sight, and the probable cause of near freezing temperatures all evening at the A-site. **WILLY** was later asked to demonstrate “Prison Sex” with **DIARRHEA** so they could both fit in the bucket. **WILLY** quipped that back in the Big House he was known as the “Back Door Boss”, so he wanted to switch positions with **DIARRHEA**. In your dreams **WILLY**.

**FIELD OF DREAMS. NO MORE CUM**

told **BOLLYWOOD** that he'd had a X-Rated dreams about her recently, and he wondered if she would stop by his love shack later this evening for some “Dream Therapy”. She just giggled sheepishly, and said he would have to get in

line behind the rest of the **PH3** who have similar fantasies.

The blonde virgin sex tourist from **Norway** won the **Raffle**, and chose to take **SCAR W/2T'S** home as a her prize. This was a rough blow for **CANNONBALL**, who was already feeling down in the dumps because of the Patriots loss in the Super Bowl. **CANNONBALL** was philosophical about everything when **SCAR** became virgin's “Chosen One”. **CB** was heard to say “You can't win 'em all, but please God, let the Patriot star quarterback Tom Brady get lucky when he goes home tonight, because he certainly had no luck during the game today”.

The **GM** reminded everyone that next week is Valentine's Day, so to be sure to share VD with someone you love.
