Aaaaaaaaarrggghhhh..... I don't even remember if I paid my TQ bar bill. The usual suspects gather at the **Buffalo** holding onto the bar with their chosen poison. A fast baht bus trip out on the 36 to the Shell turn off to a recognisable piece of country, although plenty of development since I hared here with **Buddha** a few years ago.

WEE JIMMY invites me on the much revered **Beer Hunters Run** as the circle is called. Then acting **GM THE WIZARD** greets me with a message received from **GM MENTAL** on April Fools Day saying that I would scribe today, a vague recollection of a drunken conversation comes to mind.

GM welcomes no new shoes and the hares **ODD-JOB**, **LIBERACE** and **FERRY QUEEN** who is MIA suffering from a continued case of shaggers back. The hares mumble on about the run, then **ODD** paints his hand red and holds up some paper and we are off.

Leaving the **Beer Hunters** to their own devices, as scribe I feel obliged to run, well at least walk the trail. Under the cloudy sky with a continuous rumbling of thunder and sporadic lightning strikes we ventured into the jungle. First some typical tapioca and coconut plantations then into a bamboo forest which went down into a darkened river bed completely covered with all types of jungle foliage, with a menagerie of bird noises it sounded like a sixties Tarzan movie. A cleverly placed rope enabled the climb up the steep muddy bank back into the light again!

With the loudest crack-boom, lightning struck very close to the trail and everyone screamed except the cracks who were busy hunting and gathering bags full of nomai bamboo shoots to go with their green mangoes and other leaf litter. I noticed as I followed the cracks how practical their elastic leotards were for bending over to pick up these picnic treats.

Through some unspoiled jungle, past a mysterious sunken swamp we continued as the thunder grumbled. Out of the coconut plantation into pineapple fields and a flat walk to the on in.

Chips, watermelon and bananas were there to welcome us and cold Leos. The runners, the walkers, the **Beer Hunters** and the picnickers all settled into their patches as **WILLY** sold tickets, **WANK-KING'S** collated meta data and **VV** had his selection of baguettes. I had his homemade boar pate which was outstanding, the curried chicken and brie all sold out as the circle was called.

THE WIZARD checks with the **GENERAL** to get his opinion, a great run plenty of paper, good checks and clever FTs. **LOONEY** enjoyed it, **VV** got lost and **TEENY WEENY** thought it was too short. With all that thunder **LONE WOLF** was sure he was amidst a squadron of Iroquoi gun ships circling his position but that was probably just his PTSD kicking in

A-Site Mis-Directions:

From Soi Thep Prasit, proceed South on Sukhumvit Road for 10.2 km and turn left into Phoenix Country Club Road. Follow for 8 km passing the village, down the hill and back up the next. Before the crest of the hill (3 concrete silos) turn left into a dirt track (HHH). Follow the track 300m (bearing right at the fork) to the A-site.

again. Others said they saw them too, but that didn't help.

GM gets the **Raffle** going and incredibly the prettiest girls on the run win the first few prizes, it happens every week. . . go figure! An electric BBQ won by **LUCKY NUMBER**, **Goy** wins two litres of South Australian red wine, **LIB** wins box of chocs, **GASMAN** a Buddha gift bucket, **SHITHEAD** size 52E Bra which **GASSY** could have used and **ODD-JOB** a giant fluffy Yetti rabbit, There were other things which I can't decipher from my notes.

AIRHEAD reminds the **Norwegians** that singing is an obligation and even if they don't know the words they should hum along. The hares are called with a loud 'good choice, sir' from **STUPID KRAUT KUNT**. Complimenting the location of the circle and the intelligent ice drainage set up in the proper way. Nothing less would be expected from these two experienced hares.

LIB is like Brainiac who is smarter than Superman and **ODD** has been to North Korea three times and is in part responsible for the coming meeting with Kim Jong Il and Donald Trump. The question is what are **ODD's** intentions with that giant fluffy Yetti rabbit he won when he returns to his jungle home, its **ODD-JOB's** Wilson on those long lonely nights out in the jungle.

Familiar **TQ** cracks into the circle **Goy's** mum, **Goy** and a friend named **I MAU**, **ME MAU** and **SHE MAU**. **ANFI** insists that the **I MAU** relates to a drunken night when **Goy's** new iPhone disappeared.

Scandihooligans pile on the ice and into the bucket. Those who survived the twelve hour ordeal were few but those who lasted sixteen hours were less than a handful. Another well organised bar crawl and

its tenth anniversary.

Acting **GM** returns calling on **GASMAN** to take a seat followed by his seven Hammersley sidekicks. **LOVE BOAT** was then invited to identify who she had said looked like an angel, when sober sitting on the baht bus on the trip out to the A-site. She pointed out **GASSY** who is a little bit chubby but now she believes he is not an angel but is the devil in disguise. **THE WIZARD** thinks he looks more like Shirley Temple and then ices **NO MORE CUM** as Tottenham Hotspur beat Chelsea for the first time in thirty games and are even bigger cheats than the Australian cricket team.

THE WIZARD wore a Tottenham jersey to see what reaction he would get from people and was abused and spat on and that was before he had even left his house.

WANK-KING'S WANKER ices **ARSE-HOLEO** for 300 Runs, **UNSTABLE LOAD** 100 Runs, **POCKET SOCKET** 100, **NEXT WEEK** 100, **POL FUCKER** 50 and **BURL IVES** 5 hared cap.

GM thinks **WANK-KING'S WANKER** is entertaining in a Picasso sort of way. As we call on the hares who have nothing! Luckily **TAMPAX** has brought enough sound and musical equipment to stage an ACDC concert. Singing a classic "*Syphilis I Don't Like You Anymore*". **SCAR** ices **THE WIZARD** who thinks English football is entertaining and **STUPID KRAUT KUNT** who is wearing a navy uniform because he thinks it will help him pick up chicks later that night and **WANK-KING'S WANKER** for turning up to the **Scandi** run with makeup and getting his head shaved like a pussy. **WANK-KING'S** says the only thing wrong with a pussy is its attached to a girl.

TEENY WEENY iced for something funny as there was so much laughter I couldn't hear the charge. Things were starting to get messy. **GASMAN** was iced for sleeping at **SCAR**'s party and for finally coming out.

GASMAN's circle icing **PAPRIKA SMILEY** who paid Baht 3000 to join Hammersley and gets the annual mag whilst the boys have some blow cash to spend tonight. **GASSY** ices **TEENY** and gives him his Buddha bucket. **MR POTATO HEAD** and **DAGS** iced as **SCAR** has found a 35 year Hammersley hat and 40 year condom on one of his katoy friends.

NO MORE CUM ices **THE WIZARD** for supporting Chelsea who have no manners, but if they come to Spur country on a Saturday night they would be happy to teach them some. **PHANTOM** who was a **FRB**, then a walker, then a

Beer Hunter and now buys a 69yo a lady drink. **GASMAN** who turns up to the **ON ON** last week for a feed without paying the B400 sign up. **BEETROOT HEAD** who gets very excited when losing at pool and getting all red faced.

WEE JIMMY is officially the **GM** of the **Beer Hunters**, **SHITHEAD** and other Hammersley team iced for doing well on another secret run, apparently they will understand what that means. Although Hammersley business should stay Hammersley so they bucket **GASSY** again. Hash Trash **ARSE VON HOLE** may lose his toilet seat if **GING GANG GOOLIE** cant explain why he doesn't understand **VV**'s recycling bin instructions.

SPERM POLLUTER commands our attention and ices **PAPRIKA SMILEY** for thinking he is a Hammersley Hasher. **NO MORE CUM** for ball tampering, **WANK-KING'S WANKER** for taking the piss and his cigar looks like Obama's dick in his mouth, **WANK-KING'S** haircut would look better on a dumb blond than on a katoy's pussy.

RASPUTIN doesn't need a haircut, neither does **ODD-JOB** as no girl would ever look at them. **FINGERLESS** in the bucket because he tells everyone how he hashes all over the world and is always saying too much, except when he finds paper and quietly whispers that there is paper here instead of yelling **ON ON** like everyone else.

Last few down downs and the **Hash Hymn** and we board the buses almost leaving **WANK-KING'S** in the darkness. We end up at LK Metro **I Rovers ON ON** bar for more beer and some grub. There was a big turn up and plenty of beer drunk before we migrated over the road and finally it ended at the **TQ**.

On-On ! K.A.M.
