PH3 Run #1779 was a runner's dream! However, for someone suffering from jet lag and who missed the runner/walker split, it was still an excellent 8K run. **VV**, **ZENERGY** and **BEVERLY HILLS PINK COCK** did an outstanding job! The trail had a nice mix of everything and, since **VV** was a hare, you can always count on getting your feet wet!

There was some unusual excitement at this run. **VV** tried to sneak the "A" site on to private property. In typical **VV** fashion, he thought no one would notice in an open field within easy sight of the road 20 cars and baht buses, nearly 100 people, circle stuff, lights, BBQ blazing away (which was delicious) and a general Marti Gras atmosphere.

Well, the owner was initially a wee bit upset. However, **VV** employed the negotiating skills of **LOST CAUSE** to calm the owner. She was awarded the "Hash Hero" award by RA **EMPEROR AIRHEAD** for saving the day. There was a rumor **LIBERACE** may have helped douse the fire with a greasy palm.

The circle was expertly managed by **THE WIZARD**. I've been away for 6 months and was pleased to see **THE WIZARD** has developed into a kind and gentle **GM**. (Wink Wink) He not only praised and encouraged the weak minded, he gave us a history lesson on the woman's suffrage movement in **England** over 100 years ago! He had a nice leisurely conversation with **LOVE BOAT**, the Hash Flash, while she relaxed on the ice.

THE WIZARD had us all in the palm of his hand as he

A-Site Mis-Directions:

From Soi Thep Prasit, follow Sukhumvit Road south heading towards Sathahip. After 10.2 km, turn left just after the Ban Amphoe traffic light junction onto Phoenix Country Club Road. Follow this road for 10 km all the way to the end. Then turn left and U-turn at the first opportunity (about 200m) and continue South for about 4.5 km and U-turn North again (HHH). After about 1.3 km turn left into a dirt track (HHH). Pull up well into the rubber tree plantation and park out of sight of the 331.

recounted the story of Emily Dickenson, one of the early suffragettes, who threw herself in front of one of the King's race horses during a race and was trampled to death all just to make a point! That **WIZARD**, he sure knows how to spellbind a group of attentive drunks! Brilliant, absolutely brilliant!!

WANK-KING'S WANKER tried to do the hash award ceremony, but after 5 minutes of mumbling and wandering around in a tight circle, he was led away. I guess we'll have to wait until next week for the results.

Me thinks, he never seemed to recover from **THE WIZARD** politely bring to his attention that, as Webmaster, he posted the wrong hares for this hash
