“And Monday is a Hashing Day”. Oh yes it is. The second bahtbus I jumped in, took off immediately to an unknown destination for me. Arrived in a forest, and gathering around with some other **Belgians**. **ARSE VAN HOLE** was trying so hard his best, not to show his new black shoes. Unfortunately for him, a snitch had informed the **GM** already, and the first beer got its destination.

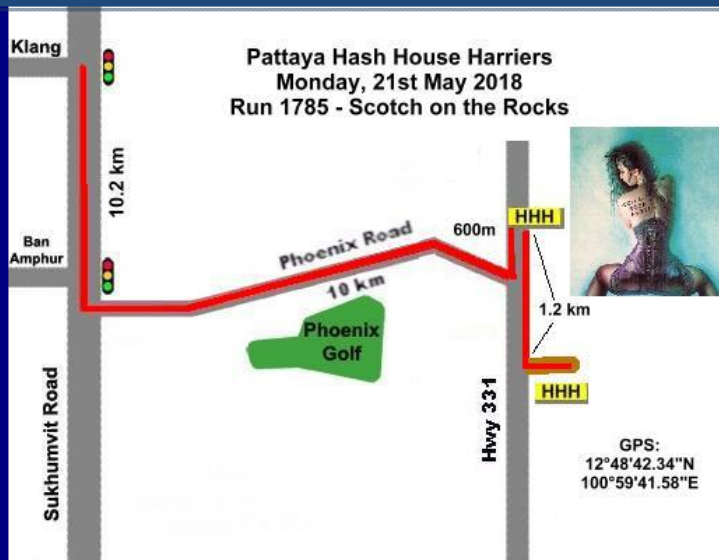

There were also four virgins in that first circle : always important to get new blood in the body of the **PH3**. Without that, the vital organs can also not survive. Before the run started, I found a bahtbus to lean instead of sitting, next to the usual circle of the **Americans**, to get some inspiration. One of them has a new washing machine, so now he can wash at least once a year, which didn't happen before.

About the beautiful run and walk in the forest : paper from the **Nash Hash 2017**, wet area, lots of water and lakes (next time at this place, I should bring my swimming trouser), feet completely wet. ...

At the end I was together with the Slovenians, who saved me a few times out of the many fences on the trail. After I had arrived, **LONE WOLF**, the Australian mosquito, had taken the chair of the scribe. That scribe didn't say anything, otherwise some **Belgian** would have been found back later in the lake, full with snakes, next to the A-site.

THE WIZARD as **GM** (for the next five years, if you ask me) started traditionally with putting the hares **CRAPPER** and **POCKET SOCKET** on the ice, with a beautiful sunset behind them, disappearing behind the mountain. The comments were : too many checks (**SEAL SUCKER**), not enough hills (**GI JOE**), some are dying, excellent (from the first front runner **DEL BOY**), harder than I thought it would be with all these old bastards (virgin **Tanya** !), like a monkey run (**SPERM POLLUTER**). Conclusion for the Aussie-Filipine- combination hares : very well done !!!

The **Raffle** from **SIR FREE WILLY** started : and then there was light ! Now I started to see what some were saying. In fact it was one big **Mafia Raffle** as all the cracks were running away with 7 several pieces of cheap shit (according to **REAR GUNNER**) : **LOST CAUSE** took the weekly bottle of red wine, **POCKET SOCKET** choose the John Langer 35 degree spirit and whisky, other cracks took a dog, four full moon bottles, coke dope, cookies

A-Site Mis-Directions:

From Soi Thep Prasit, follow Sukhumvit Road South for 10.2 km, turn left just after the Ban Amphoe traffic light junction onto Phoenix Country Club Road. Follow this road for 9.5 km all the way to the end. Then turn left and U-turn at the first opportunity (about 600m HHH) and continue South for 1.2 km. Turn left (HHH) into a dirt track and drive for 160 metres into an open clearing.

and crackers.

The **RA EMPEROR AIRHEAD** opens the debate : 1) hares on the ice : some have seen a giant snake leaping out of the lake. The arms from **TWO TIME** were used to take the measure from the thickness and length of the animal. 2) **Belgians** on the ice because many have to leave the country for a dirty 4-letterword : work. A new hash-name as many **Belgians** have disappeared : **DICK VON HEAD** ? 3) The Berliner **STUPID KRAUT KUNT** who has the biggest TV-Channel in Germany, got the remarkable award for the *"Most Drunken Hasher in the World"*. 4) First the noisy **GASMAN** in the bucket (**FERRY QUEEN** received the ice cubes from **GASMAN**'s ass, later back as a souvenir ...) 5) And now a spark of romance : we are witness of a Monday Hash Indian wedding. **SUGAR DADDY** and his girl he met 10 years ago, so they stay already for a loooong time together. Those who expected a white horse, entering the circle, well forget it. The last white horse used in the **PH3**, brought **SFW** to the Monkey House in **Bangkok**. The great girl and the rich brought in the bridesmaid **GLORIOUS**

Wanker of the Week - ARSE BANDIT;

CLITORIOUS (COME ON DADDY) and best man **SKK**, the German Alcoholic. **LONE WOLF** could take a last photo of the couple with a smile, cause as we all know, after the marriage the smiling will be finished. 6) Four virgins on the ice : 2 from **Australia**, 1 from **New York** (original half **Irish** and half **Slovenian**) and 1 from **Slovenia**.

Circle back to the **GM**, who puts the other noisy one, **FERRY QUEEN**, in the bucket, standing with his sandals. **SEAL SUCKER** could go sit under him in the bucket, just in the right position for some sucking. Now that was the signal for **WANK-KING'S WANKER** to do the numbers : 150 runs for **CRAPPER**, 100 runs for the invisible **PHANTOM** after many many years, and the almost forgotten 50 runs for **HOI WAN** who started in 1995.

GM puts **SPERM POLLUTER** and **ARSE BANDIT** on the ice : the public vote for the "*Wanker of the Week*" was very clear. **SPERM** could give the trophy to the **BANDIT**, who lost his mobile yesterday in the **Jungle**-bucket.

As the most valuable **NO MORE CUM** and **SCAR** left the country, **ARSE BANDIT** takes the circle and put the **Hash Crash** of the week, **HOME BREW**, on the ice. After that, **THE WIZARD** put **UNSTABLE LOAD** and the rest of the **Belgian Wankers** and **Bastards** on the ice : accused of living in a Muslim country and child slavery. **UNSTABLE'S** daughter, **NINJA PRINCESS**, must do his running for him, help him in the jungle and bringing the whole time beer to him. I can only say : you have to teach your children well right from in the beginning.

Hares song was brought by **BURL IVES**, so the half of the rest of the circle started to fall asleep (it was not a folk song). Well done for **BURL IVES**. When the final down-downs and the **Hash Hymn** were finished, I was in a bahtbus with all different nationalities.

In **Nicky's Bar**, about 25 plundered the plenty of food. The **GM THE WIZARD** organized a well deserved applause for Debbie. I ended the evening with a lone ghost, getting champagne and paradise.

Anyway, hope to see you all again next week.
