Just returning from another Nepal Trekking adventure to Thailand. I had to find out that our lovely Thai Food Court at the airport had been converted to a Chinese Noodle Shop with hundreds of Chinese occupying and no place to sit. It dawned to me what will happen here in future if 10 million more Chinese will swarm this country every year.... Not so in the Pattaya Hash... I was on my return immediately greeted by Old-timer **FREE WILLY** with the 100th Run shirt for **NEXT WEEK** which I have to carry to **Germany** for him in August because it is urgently needed!

Some by-standers argued... we will not give it to him because on the front it says: 100th Run **NEXT WEEK**... so only next week... but the following week: 100th Run Next Week and so on and so on... on his 199th Run he will eventually get it because next week it will then be his 200th Run Next Week, all sounds logical, right?

Coming to the Hash expecting ahelluva lot of rain I think everybody was surprised that it actually didn't rain but the turnout was rather rainy season like this week... 66 sign ups with only a small but illustrious pack out on the trail.

Our entertaining **GM THE WIZARD** called the first circle to point out **CRAPPER**'s new shoes for a down down. And the hares **PELER, ARSE-A-HOLIC, PINK DOLPHIN** and **PRINCESS BUM BOY** to give instructions on the trail. And off the pack went around the lake while I was chatting to **DIARRHEA** who explained about his facial injury which looked like a boxer after a lost bout. It was only a **Hash Crash** from last week which had to be stitched.

After two early checks, **DEL BOY** got ahead going the right way and was never to be seen again... followed by the usual FRBs **SEAL SUCKER, DIARRHEA, HOME BREW** and Yours Truly who got ahead of the rest as not many checks followed to make it look like a slippery trail running event, only **HOME BREW** came down twice. Same as the week before where he earned the famous **Hash Crash** award already.

The trail continued through puddles after puddles through the scenic country park til we reached the plastic note board of the split for runners and walkers... followed by another trail part for the runners to get back to the bins after around 8 km in a bit more than an hour. Enjoyable run we all thought... Could have been a few more checks but who cares...

**A-Site Mis-Directions:**

**From Pattaya Klang, head North on Sukhumvit and take the flyover to Hwy 7. After about 9 km, exit Hwy 7 at Hwy 36 towards Rayong. Keep left on the entry ramp and do not join Hwy 36 but after 1.2 km turn left onto the 3240 heading towards Khao Mai Kaew. Continue on the 3240 for 3.0 km and turn left (HHH). Continue down this road for 2.6 km and turn right (HHH) onto a track to the A-Site.**

Followed by some chit chat around the bins and **VV**'s delicious sandwiches **GM THE WIZARD** calls the second circle for regular Hash proceedings, punishments and good stories. Always remember: *"Never let the truth get in the way of a good story!"*

Hares on the ice first followed by some comments on the run like; not enough water, slippery trail, puddles of clean water, etc. but all in all response was that it was a good, well papered trail. Somebody complained that the sticks at one check where pointed falsely in a wrong direction... who knows...

**FREE WILLY**'s Raffle had six winners this week: **THE COUNT, THE WIZARD, GENERAL KIDNEY WIPER, IM LAO, FAIRY QUEEN** and **LOST CAUSE**... what a lucky day and a happy down down.

**EMPEROR AIRHEAD** invites the Hares again on the ice followed by another praise of the site which particularly Nature Lovers enjoyed – and some affirmation by the Hares that they will go out this week to pick up the plastic sign board for the R/W split. Don't trash the Bush!!

**Leavers – 1** FERRY QUEEN;

**Anniversaries – 1**

PHANTOM was awarded his 100th Run T-Shirt;

Haggis Eater **DIRT LOONEY** on the ice next also but not only because he will be next weeks Hare promising a funny dialect from the Island north of **Germany** which **English** people usually don't really understand but because they keep all the off-shore money in the banks in Edinburgh. Theresa May doesn't really wanna let them go into independence.

**EMPEROR AIRHEAD** further ices some unpopular figures and picks naturally **SEAL SUCKER** who ends up in the bucket for not taking off his **Jungle Hash** cap, what a crime. **UNSTABLE LOAD**, always a culprit, the more than quiet **DREGS** and **PHANTOM** all but dressed in Black! All but deserved their down downs!

**THE WIZARD** takes the circle back and puts our very own **ARSE VAN HOLE** straight in the Bucket! He's not wearing a Hash Shirt but some blueish yellowish shirt imprinted **Swamp Rats** – what the Hell is that - surely not a Hash! The “I forgot bad luck down down award”... well deserved.

**HOME BREW** on the ice next as he was the **Hash Crash** already last week and he fell gain down twice today only to have his **Hash Crash** award swapped with the Toilet Seat award for not being careful enough... you have been warned!!

**WANK-KING'S WANKER** next with some stats and a 100th Run Shirt award for **PHANTOM**. Well done!

**GM** again puts all the **Aussies** on the Ice as he witnessed the European Song Contest only to find out that **Australia** send an Abo girl to participate only coming 26th to demonstrate that they belong to the Community but only by their fake passports and fake birth certificates because

culturally they adapted to the primitive culture of their aboriginal host and lost all memories of their **British** forefathers. Another study showed that in 2022 about 80% of all **Aussies** will be obese. And when it comes to love making **Aussies** will do it a whopping 4 times per year – that's why they have to rely on immigration so much!

**SPERM POLLUTER** on the ice next because he took the circle at the latest GM Run and might have offended somebody racially so **THE WIZARD** tells some jokes about racism which I don't recall completely and its nothing to be imprinted and could be served as future evidence in a court case against the writer...

At the end the “boring” Hares had no **Hares Song**, so, **BURL IVES** stepped in to do the Dogs Asshole song again- a classic, originally composed by **DANCES WITH DOGS** in Hong Kong.

After the **Hash Hymn** and some last down downs it was On On to **The Tahitian Queen!** Was it famous Yellow Mustard Hot Dogs again this time??
