Scribe Report – Run 1788 – June 11<sup>th</sup> 2018

A-SITE EDITION

64 Hashers this week!

Hares: Linear Accelerator and Cannonball

Scribe by: Rear Gunner

It's back to the familiar, well liked and well used "A" site at **Monastery Hill**, a nice big flat area with shade, plenty of parking and close to town. I sign up with **LIBERACE** and **GENERAL KIDNEY WIPER**, get a water from **VV's** beverage truck and walk over to **NIGHT RIDER's** private circle also known as the Mile High Stadium.

**GANGREEN** and **PHANTOM** are seated and discussing world affairs and the price of beer, wine and pink bits. Ladies already grazing at their private buffet table but this is only a starter course. Several courses to come. Followed by beverage buffet.

Only a couple of baht buses today so a low turnout, **FREE WILLY** advised me that 64 or 65 signups today but it's low season so not bad plus the big black clouds that are rolling in may have discouraged a few fair weather hashers.

**THE WIZARD** calls the circle and welcomes everyone to run #1788. Yada, yada, yada. Any Virgins? Two young ladies that **LINEAR** bought along are welcomed to the **PH3**. Any new shoes? Two young ladies that **LINEAR** bought along are wearing new shoes and new Adidas top of the range track pants with matching tops, **LINEAR** in for his 2 shoe down-down's.

Hash Flash **LONE WOLF** taking the picture again. **Beer Hunter** leaders **RSB** and **SPAGHETTI HEAD** and their disciples have already gone.

Hares today are **LINEAR ACCELERATOR** and **CANNONBALL**. Paper white and green shredded also hanging paper. Run 8 km and a walk of 5 km. Paper starts over towards the new white Wat and down the hill across the road, through a work site and into the jungle for 200 metres to the first check.

**GENERAL KIDNEY WIPER** finds the first Check and also finds paper to the right, ON ON! Paper goes for 100m to a Back Check. WTF? A Back Check that should have been an FT? **GKW** pointed out after the run that he also found another Check to a Back Check that should have been an FT.

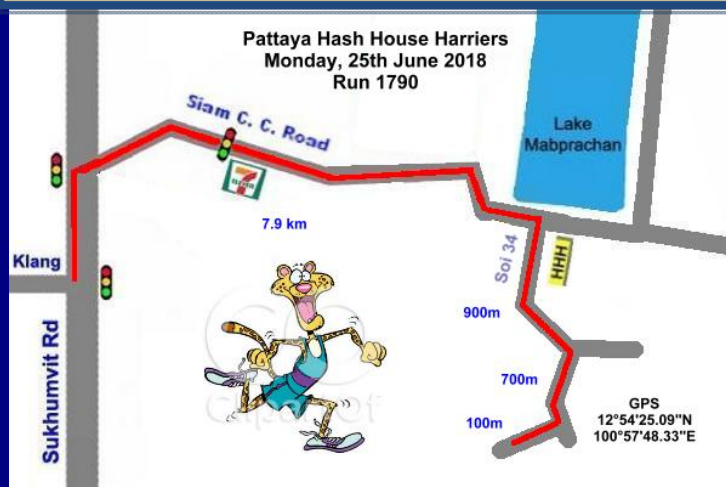

**PHANTOM**, **JACK WOW** and I did the 5 km walk in 29 minutes and 54 seconds. We must have been moving so fast that my GPS couldn't keep up and we clocked a respectable 2.91 km.

I don't do the full run much anymore because by the time I get back the front running bastards and walkers have eaten all of **VV's** sandwiches. I do the walk and then I get a choice of **Chicken Curry** or **Dagobert** or 1 of each like yesterday. I'm also a lazy

Next Run 1790 – June 25<sup>th</sup> 2018

Mad Hatter's Run

Hares: Arse Bandit and Andy Whorehole

A-Site Mis-Directions:

From Pattaya Klang head N on Sukhumvit for 400m and turn right into Siam Country Club Road. Head East on Siam C C Road for 7.9 km to S shore of Map Phrachan and turn right into Soi 34 (HHH). Follow the paved road for about 900m (HHH) and turn right. Continue for 700m (HHH) to a dirt track on your right. Turn in and the A-Site will be about 100m on the left.

f\*cker.

Circle up again, hares iced and opinions of the run/walk given. That **Kiwi** bastard **SEAL SUCKER** accused of stampeding the farmers' cattle, **BEVERLY HILLS PINK COCK** and **DIRT LOONEY** said a good run, **ANTIQU** last in but was the sweeper making sure everyone got back safely, **PEDO PETE** accused **FRB's** like **DEL BOY** and **DIARRHEA** of not calling On On! Excellent run, well papered and everyone back before dark. Thanks hares.

**FREE WILLY's** Raffle, and it's all the cracks winning with Virgin 1 taking a bottle of bubbles, Virgin 2 takes the big tin of biscuits that will be sent back to the family in the jungle, **MIA DIARRHEA** gets the Sangsom, **POCKET SOCKET** and **ANTIQU** also winners and the **GM THE WIZARD** gets a lovely short pink nighty that should display his nuts nicely.

**EMPEROR AIRHEAD** takes the circle, ices the hares and discusses the run. Cattle, dogs, more cattle, more dogs, buckets **SEAL SUCKER** for chasing and stampeding the cattle. He said he was only looking for a pretty one with big eyes and a lovely mouth. Almost impossible to find sheep so he's changed to cattle. Hash Shit! **SEAL SUCKER** demands a lawyer, **GI JOE** pleads guilty for him.

**Saints and Sinners – 2**

HARBOR WHORE - Wanker of the Week;  
 SEAL SUCKER - Hash Trash;

**SEAL SUCKER** changes lawyers. **JACK WOW** is the new lawyer and tries to convince the jury/hashers of **SS's** lack of mental capacity to commit the crime. Just one look at **SEAL SUCKER** and it's obvious he has diminished mental capacity but better him than me, **GUILTY** as charged.

**AIRHEAD** explains the difference between a duck and a lawyer, you can't shove a lawyer's bill up his arse. I'm sure a lot of people have wanted to or tried. What's the difference between a porcupine and a car full of lawyers? A porcupine has the pricks on the outside.

**LINEAR** iced again with his virgins now called Charlie's Angels. **LINEAR** explained how he got the name and that he worked on a Linear Accelerator at **Stanford University** and every Monday they had a scientists meeting, just like the **PH3** but without the intelligent people, virgins don't understand any of this and are not that impressed so they're leaving with **VELCRO DICK**, he said I've got money and they were impressed.

**PEDO PETE** iced for not having a down down song. Make one up, say anything, "*The Sun Is Bright You're Not*"? nope nothing so on the ice.

**Canadians** iced, just **GANGREEN** for the f\*ck up at the F1 Grand Prix where a **Canadian** model waved the checkered flag one lap early. She had big tits so she was forgiven and will be back next year.

**WANK-KING'S WANKER** does the awards, everyone's ready for Bertie's f\*ck ups, he hasn't written anything down, even when he does have notes he f\*cks it up so what's going to happen with no notes? **GOLDEN RIVET 150 runs, GANGREEN 350 sign ups**, yeh! Well done guys. Well done **WANK-KING'S WANKER**.

**TADPOLE** seen leaving the **Beer Truck** with a full ice bucket heading for the ladies gin and tonic circle. **HARBOUR**

**WHORE** and **RAT VON KIEL** iced, someone forgot to bring **THE WIZARD's "Wanker of the Week Award"** back.

**Yanks, Brits** and **Belgium's** in for balloon busting contest, hump your mate from behind to break the balloon? **GI JOE** cheats by breaking the balloon with his fingernails. Not into back door action since leaving the US military. **HARBOUR WHORE** regularly plays this game but without the balloon or clothes.

Hares song is done by **BURL IVES** as the hares are iced for no song, "*My Sister Belinda She Pissed Out The Window All Over My New Sombrero*". Last down downs and **Hash Hymn** done. Another fine day of hashing fun and drinking.

See you next week at run #1789. Hares **VV** and **TWO TIME**, Hwy331 2km Nth of Soi Hua Yai. It's a **VV BBQ** run so bring some cash and you might get a bit of his famous sausage?
