A-SITE EDITION

65 Hashers this week!

Hares: VV, Zenergy, Two Time and Lipovitamin

Scribe by: Velcro Dick

Monday once more and off for the run. This time on a new A-site with limited parking space. While we were waiting for all to be signed up the sneaky **GM** comes up and says, "*You are the scribe today.*" Well, what can you do? I liked it better when circle was asked, "*Any voluntary scribe?*".

New shoes was dealt with, a virgin and a so-called "**US Marine**". More on that later. Hares called in to the circle to explain the run, and off we went straight into some shiggy jungle, and that was good bye for the self proclaimed US Marine. To many flies, dangerous, too hot..., etc. So back to town he went.

When we got back to the A-site, **VV** was selling his barbecue hot dogs and everyone was relaxing and waiting for the slow front runners to arrive back to the A-site. I was approached by the **Beer Hunters** that complained that the front runners were too slow.

Finally, **GM** called the circle and first to be called to the ice which were **BEVERLY HILLS PINK COCK** and **DEL BOY** for being too slow. Hares next to grace the ice. Vote was good to superb run even though we were missing some normal water traps on **VV**'s runs.

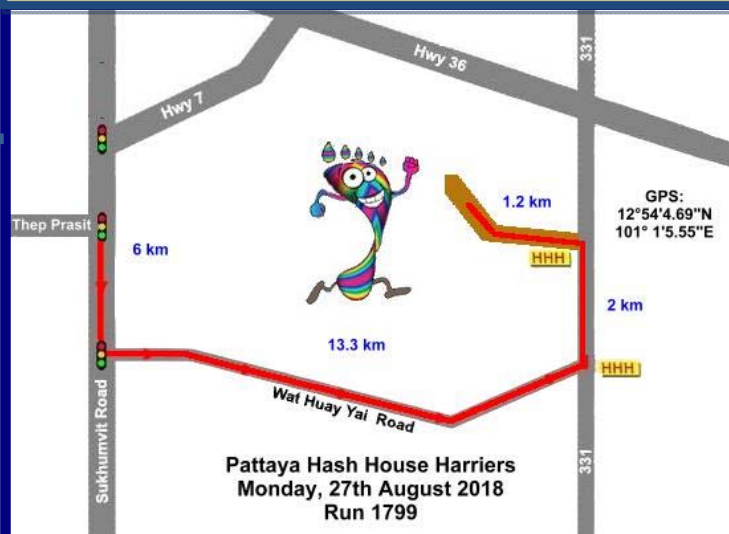

FREE WILLY was handed over the circle for **Raffle** time. A lot of different prices were won.

GM took back the circle and wanted all knee-operated on ice **VV**, **ZENERGY**, **RAT VON KIEL**, **BALL RINGER**, and **SHIT ON MY SHIRT**.

EMPEROR AIRHEAD was given circle and iced the hares. Hares had to bribe the owner of land that showed up but not sure if they got the correct one. **EMPEROR** was very happy with A-site as it was flat and without any holes. **EMPEROR** telling us a story of former girlfriend got knocked up by the motorcycle guy.
