"And Monday is a hashing day". Oh yes it is. After more than 1800 Runs in almost 35 years (only 4 months to go for the birthday – sign up in time!), it's time for our run number 1 (+ 1800). For myself it was my biro (as sword) to race on the track with the **Beer Hunters**. Back to the Future.

And it became a bia (=beer) tracking: to not get off the track on 9/11, so that I can not miss my airplane (as some like to do when they are leaving), on the (to)morrow on the war of today, I decided to fly for one time with the fellowship of **SRSB**. In a hazy bus start at the **Buffalo** (thanks for the sauce, Goose), the next Songtaew with (6 + 2 who were not there the whole time) **Beer Hunters**, arrived in a small place. Aboard, we had already 100 Pipers, which made it a first class trip.

Over there: unfortunately, only two hands to slurp all the beer. Old and wise man, don't need all that stretching and training in life anymore. So, those **Beer Hunters** prefer, with their grey hair and long beard after all those years, to contemplate and have a drink (beer brewed to international standards). Those who are interested in their rules, interested in how they solve the world problems around their own round table, follow them one time ...

Amazing it was, how in the start the front runners tried to catch the **Beer Hunters** truck, and at the end, back at the A-site, the **Beer Hunters** just arrive in time before the first runners arrived. Like I already said : AMAZING ...

Impressed by all the perfect timing and the liberalness until now, our drinking celebration (before 9/11) stops here, when the first front runners come in : **NIGHT RIDER**, **SPEEDO PETE** and **DIRT LOONEY** – **GI JOE** just missed the podium – **THE WIZARD** had the holy number 7

As a would be scrutineer, I went on research how the walk and run were, but the drunks, with no memory anymore, didn't tell anything to the **Belgian** snake from the today press, who also walked 3 times around all the garbage (even that didn't help either). Later on, when the sky coloured red, the **GM** (**THE WIZARD** today) started the circle, the lights went on and the filmshow (that must go on) could start. Here we go :

- GM found out that :
- 1) The sticks were nice, but too heavy;
 - 2) For **BALL RINGER**, it was a nearly walk on the run;
 - 3) **GI JOE** : for a bunch of nits, the hares did quite well

A-Site Mis-Directions:

From Soi Thep Prasit drive South on Sukhumvit 6 km to Soi Wat Huay Yai and turn left. Continue for 7.1 km to Soi Polo 1 and turn left (HHH). Follow Soi Polo 1 4.4 km and turn right (HHH) into the road. Follow this road for 1.1 km to the A-Site.

4) for the rest, I heard only forfeit numbers after the scrutiny SO the conclusion by **GANGREEN** was :

5) Fucking well done (followed by a down down) for the 3 Hares who like coffee, kiwi and 100 Pipers (today, you could taste and feel and ... the combination).

Further on, I was only interested in the three sexy panties in white, pink and black, so I forgot all the rest of **WILLY**'s **Raffle** coffee machines.

On the ice : **GKW**, **SIR SPAG** and **WANK-KING'S WANKER** : the 3 most skinny's didn't wear a hash shirt last week, but a **Beer Hunters** shirt. They are the "non-hashing-wearing". Further on : **JACK WOW** (greetings from the film industry) – dancing minister : **GI JOE**

Numbers from **WANK-KING'S WANKER** :

- 1) The couple **SHIT ON MY SHIRT** and **MASTER CHEF** reached together 100 + 100 = 200 Runs .
- 2) **NIGHT RIDER** for 250 Runs, while that sneaky **GING GANG GOOLIES** had to sit on the ice. Song from **BB** (King) went about a microphiliae (no, I don't know anything about Latinize) .
- 3) 50 Runs Shirt for **DREGGS**, the hare : let us all drink a

GM back in charge to ice : **NIGHT RIDER** (car-accident, no car anymore ? he can get drunk now) and **CANNONBALL** (laughing strange), **TURD BURGLAR** for too much talking (strong **GM**) and **WKW** in the bucket (very strong **GM**).

Time for the religious part - the great **LORD** fucked some of the following chickens :

- a) Hares : garbage shoes for the coffee man **DREGGS** (looking like Cinderella). He got magic shoes handed over by another Aussie, **CRAPPER**.
- b) **WKW** : lost his home 2 weeks ago, was sleeping in the **Blue Heeler** and pissed on the carpet ---? what will we eat tonight ?
- c) Fashion show from **LORD CHICKEN FUCKER** for socks, knitted by a very old lady from an unwanted country (looks like my grey socks in the winter) – THE CURSE ???
- d) **TURD BURGLAR** had some sex in London. **BALL RINGER**, who is also from London, was iced for interrupting the **RA** (song for TB and him)

WIZARD, who will cooperate for this with **DIRT LOONEY !!!**
Celebration song was followed by **SPEEDO PETE**.

Unfortunately, many had left already when the song of the hares, reminded us about "*Diane*". The beer truck got closed for the last down-downs. Don't forget this in the future. ...

TURD BURGLAR, for a note, fell out of the sky, the chicken A turnout from 70% from the people on the four baht busses, brought me to the first food lounge of the stop, in my going to the Airport. Around 11 o'clock evening, I left the box on the highway to hell(sinki), with "*the crazy little fuck*", who gave me some good evenings. ...
