### The A Site:

The Baht Buses find the A site and most importantly, the **Beer Truck**. We were all gathered in a Coconut Grove out near a Near Golf Course. This gives credibility to us singing *"We've got a lovely bunch of Coconuts."* It was great to have a New Run Site. Well it was for **DAGS** and **HALFWAY**, but it seems like the rest of the Pack have been here several times recently.

The Hares are bought out to give Run Details. *"It's a Blue Run."* We have Blue Paper, Blue Trail Marker, Blue Fingers, Blue Cloths, even their Brown Eyes were Blue. Everything was **Belgium Blue**, all except the Sky. It was a horrible dark Grey Black colour.

### The Run:

The Hares call On On and **SPERM POLLUTER** shoots out like a 15 year old boy's Premature Ejaculation. The rest of the Pack follow. Out of the Coconuts and on on to a muddy track which lead us into Farm Cuntry. There were **Muddy Waters** everywhere and Hashers were **Slip Slidin Away**. A wash away sees brave, fearless Hashers **Tip-Toeing Through the Tulips**. I mean stream. Can't get those Shoes wet. haha, too late. On On is the call and we're still on a muddy road.

The Pack is stretching out a bit now as we go through a **Pineapple Plantation**. I'm thinking this is quite a beautiful area until I see a mountainous hill loom closer and closer, but we get to a fork in the road where the Runners head right and the Walkers left. **LONE WOLF** cums along side and suggests that I write in my Report that he is the best Hash Flash that's ever been. We get to a Floodway where the water is gushing over the track. No way to keep the feet dry here. **LONE** says to stand in the stream and he'll take our photo. *"No Probs"* I see this Giant Snail by my feet so pick it up and throw it into the Jungle. The Bastard had been following me around all day.

The Walkers Trail takes a left turn through a Farmers Crop and **TURD BURGLAR** and his mate are so busy Gobbing Off that they missed the Marker. After several more metres, **LONE WOLF** calls them On Back. **TURD BURGLAR** is heard to say that he needs a Piss anyway, so proceeds to Piss on on the Trail Marker. *"That deserves The Bucket I thought."* On On and before long the A Site cums into view. A good Walk and I could tell that the

### A-Site Mis-Directions:

From Soi Thep Prasit drive South on Sukhumvit 6 km to Soi Wat Huay Yai and turn left. Continue for 7.1 km to Soi Polo 1 (HHH) and turn left. Follow Soi Polo 1 3.3 km and turn right (HHH). Proceed along the macadam road passing the Polo Club until it gives out and 1.4 km from Soi Polo 1 find a dirt track on the left (HHH). The A-Site is a short way along visible from the road.

Runners had a good work out too. First Hasher I bumped into was **FREE WILLY** who had broken into a sweat walking to his chair. As he sat there recovering from his workout, he gave me an education into what Katoys do to fellow prison inmates. Reminised about Brother Hashers from his home town and the escapades of running a Massage Parlour. All very interesting.

The Runners cum sprinting back and it's **SPERMY** that leads the Pack in, closely followed by **WANK-KING'S WANKER**. "What?????" How could this be??? Oh I see, The **Beer Hunters** arrived back at the same time. Now let's grab one of **VV's** chicken n curry rolls and a beer. You've done it again **VV**. Bloody Beautiful!

### The Circle:

The Hares are called out. **STUPID KRAUT KUNT** is called out to do a Run Report. Tooooo Flat he says. **MENTAL** goes around the Circle getting more encouraging comments. Finally a Down Down Song is sung for the Hares. *"Here's to these cunts they are Blue, Blue, Blue, Blue, Blue, etc."*

**DAGS** says who's the little **Irish** Guy that wont shut the fuck up? He's 20 decibells loader than anyone else. **DIRT LOONEY** takes hum-bridge at this remark and quickly retorts, *"Ah that's*

**FREE WILLY's** Raffle that makes everybody happy gets under way with everyone scrambling for their tickets.

**The ICE:**

**MENTAL DISORDER** charges **DAGS** for dropping a Bottle Top on the ground in KL at Mother Hash and brought it all the way back to **PH3** to charge him for **Hash Trash**. "Get a Life" shouts **THE WIZARD**. Hahaha **LORD CHICKEN FUCKER** for imitating **EMPEROR AIRHEAD**.

**EMPEROR AIRHEAD** gets the Hares on Ice. The story goes that the **EMPEROR** lives alone and his house gets a bit untidy and dirty which brings an infestation of insects. He had his place fumigated to kill the insects, but these 3 survived, so on the ice.

He continues with a History Lesson of how the Hash was over run with **Germans**, then came the **Norwegians**, then the **Belgians**, then the **Poms** and now the **Aussies**, but look out because the **Yanks** are cuming.

Once a Front Runner, now a **Beer Hunter** as **WANK-KING'S WANKER** is brought into the Circle to model the new **Beer Hunters** Shirt and very smart too. I've never really thought of **WANKINGS** as a Model. **VV** on Ice. Where did you get that Vietnam Run Shirt? **VELCRO DICK** on Ice for giving all his Hash Gear away. But wait. I appears that his unmentionable has given it all away and is not wearing any Hash Gear so she proceeds to do a strip.

**WANK-KING'S WANKER** casts accolades to **HARBOUR WHORE** for 5th Hared Run. And to **LADY FLIPPER** for 750 Runs and an award chair.

ICE for **THE WIZARD** and **NIGHT RIDER** for not having cars to get to Hash. It appears that the cars will be out of the Workshop next week, or the week after, or the week after etc. ICE for the **HUNGARIAN HOOKER HUMPER** for doing something he shouldn't have down in Walking Street. Also **PHANTOM** the **Beer Hunter**. ICE for **DIRT LOONEY** cos he

didn't know if he was going, but knew he was cuming. **ICE** for the twin **Dirt Popeyes**. (feel the love). **ICE** for **LIBERACE** on his return from **Ethiopia**. He reckons their money stinks worse than their Pussy. **LIBERATE LIBERACE**.

ICE for **DAGS** wearing the Hash Trash Hat. Then **MENTAL** for dumping his Mobile while having a Dump in McDonalds. Now he gets the Hat. He quickly dobbs in **MENSTRUAL**. ICE for **WHORE IN THE WINDOW** as he has the '**Wanker of the Week**' Spoon. **SUGAR DADDY** is an **Indian** wearing **Scottish Tartan** Shorts and is given the the option of doing a Jig or take the Spoon. He took the Spoon. Lost Keys. **GING GANG GOOLIE** in the Bucket.

The Hare comes out and sings, "**Paint it Blue**" I mean Black, I mean Blue. Whatever. The Rolling Stones would have turned in their Graves. They are dead aren't they? Naaaa! Seriously he did a good job if you understand Belgiumish. Aply supported in the Choruses by **LOONEY** and the rest. La La La La La La. **DAGS** and **HALFWAY** in the Bucket because we're Hamersley.

A wonderful rendition of **Swing Low** then it's onto the Buses. But we can't get out because **SPERMY** has gone off the road and got bogged and blocked the whole road. All his mates got muddied up and pushed and pulled him out. He had some lame excuse that **CASPER** was driving, but we know she wouldn't do something like that. Looks like you have a new '**Wanker of the Week**' for next week. Hahaha Thanks guys for a great night
