Run 1815 - The Belgian Run

A-Site Mis-Directions:

From Soi Thep Prasit, follow Sukhumvit Road South for 6.0 km and turn left into Huay Yai Road. Continue 13.3 km to the end at Highway 331. Turn left and head North for 2 km to a dirt road on the left (HHH). Turn into this track and follow for 1.2 km to the HHH sign. The A-site is nearby.

Previously, in the Circle there were plenty of comments to the Hares, after being invited in by **THE WIZARD**, about both the A Site and the Trail. In a word, **GRADIENTS**, and severity of same with references to cessation of breathing, heart attacks and other minor ailments **SPERM POLLUTER** noted even the Beer Truck was parked up on a hill. The author experienced additionally a lengthy tapioca field section which stretched out the runners and meant x2 **FRB**'s, one of whom was **SPEEDO PETE**, could not be overhauled on the On In. Look forward to next time guys!

EMPEROR AIRHEAD continued the **GRADIENT** theme observing that the Beer Truck above the Ice was unchoked, thereby threatening the iced Hares! However the Ice itself had been leveled, avoiding the alternative prospect of the Hares riding the Ice down
