A shady A site under the trees, with plenty of parking, and extremely well sign posted. Good to see that the old dirt track has now been TarMacAdam'd, to give that old Scottish engineer his due. First circle was called and the run number announced by the GM, who gave the assembly a few rules, and the usual boring shit about rubbish bins and disposal. A generous show of hands for the free tucker and cheap drinks supplied by the Buffalo Bar. Forty, believe it or not.

Five virgins were discovered, from as far afield as Holland, Slovenia, the US and two lovely girls from Thailand. **SCAR W/2T'S** gave them a welcoming rude note. Two sets of new shoe wearers were christened in the time honoured manner, ending with one soggy shoe each, smelling delicious.

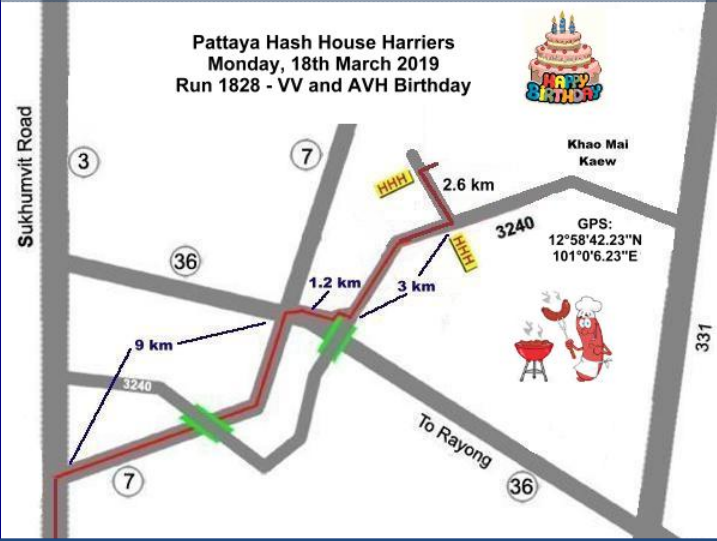

STEPTOE generously donated a spare pen, as the scribe's biro was on its last legs, like some of the runners would be later, but the loaned pen was promptly lost in the leaf mould underfoot. It slipped out of the envelope like a soft dick from a wet condom. A moment of silence was observed on **SCAR's** suggestion for a fellow hasher who recently passed away. This was **VODKA SPLITE**, from Norway. On On Brother!

Hares in the circle to give us some directions, and off we went, uphill at first. Much huffing and puffing until most of us began to find our wind. I decided to take the walkers trail, mainly due to my scribing duties, as I wanted to be on site before the pack started to arrive. Unfortunately a couple of front running bastards followed me, thinking I was on the runners trail. After nearly a kilo, we came across two of the lady hares, who quickly sorted us out, with the **FRB** extremely miffed at having to trot all the way back. That'll teach 'em to look for signs and paper and not just blindly follow someone else. However they can be forgiven as I actually ran along the walkers trail, in an unusual fit of energy.

Wonderful to see that **DUCHESS TADPOLE** had her usual bag of plastic waste she'd gathered up, despite her haring duties. A real hash heroine that girl.

Soon after I trotted into the A site, to find a really tasty nosh of Nachos and home made Salsa. Quite delicious, again full marks to the hares, **GOLDEN RIVET's** missus **LOST CAUSE** being the likely lass.

Shortly after, the first runner came hurtling in, **SPEEDO PETE**, I

A-Site Mis-Directions:
From Pattaya Klang, head North on Sukhumvit and take the flyover to Hwy 7. After about 9 km, exit Hwy 7 at Hwy 36 towards Rayong. Keep left on the entry ramp and do not join Hwy 36 but after 1.2 km turn left onto the 3240 heading towards Khao Mai Kaew. Continue on the 3240 for 3.0 km and turn left (HHH). Continue down this road for 2.6 km and turn right (HHH) onto a track to the A-Site.

think, and we were able to dive into the beer supplies. **VV** had a nice selection of snacks on offer, the curry sandwiches being very popular, even though it did make a mess of a few shirt fronts. A super effort by the Hare team, I cannot recall a better organized day out, at all, at all. A great trail, and everybody got a good leg stretch, and a proper cardiac work out.

Tony **TAMPAX** quickly assumed his reclining position with his feet up. An expert at relaxing that man, might have been a lizard in a past life, while **NO MORE CUM**, chose to sit on the ice, looking extremely knackered.

A cozy circle was formed upon rude request from the **GM**, with **VV** trying to fob off a scruffy hat on **PAT POM**, which she refused, as it wasn't hers, so **VV** was rightly given a cold seat for his mistake.

MENTAL DISORDER started the raffle, and as he couldn't read the numbers without his glasses, foolishly asked **REAL OLD** to read the first winning number out, who also couldn't read it! Some Mothers do have 'em!

EMPEROR AIRHEAD took the circle, and promptly iced the

hares, and asked the question as to who had done the hard work, such as carrying the paper. **LOST CAUSE** was the likeliest person, but modestly wouldn't confess to being the hero. It was assumed that **GOLDEN RIVET** was responsible for finding the A site, so full marks, and go to the top of the class, that person. Once again, a fucking great job by the Hares.

STUPID KRAUT KUNT was brought into the circle, superbly well pished, newly arrived from Berlin, and very wobbly. His buddy Daniel was iced for naming, and flashed his arse at **TADPOLE**, who wasn't too impressed, that part of his body being quite red. She made the comment that his arse needed powdering. Wonder if she was volunteering? Anyway after much argument it was decided that his name should be **SAUSAGE HEAD**.

Steve, aka Richard was then iced, also for naming, and after much dickering and banter I suggested his name should be; **TURN THE FUCKING METER ON**. Him being a taxi driver, and after much noise this was agreed upon.

SCAR W/2T'S took the circle and invited in the Virgins, who were welcomed and told the few rules.

Our esteemed **GM THE WIZARD** then took over and iced myself and the wonderfully named **HARBOUR WHORE**, for both being birthday boys. **STUPID KRAUT KUNT** came back in and after some cuddling and back slapping was iced for being drunk. Then **BEETROOT HEAD** was iced for something to do

with Blowjobs and Fish. I thought it better not to know the sordid details.

NO MORE CUM took the circle and sorted out a loads of people, but mainly the **Scandi Hooligans**, and quite right too. Then the one and only **REDCOAT** gave us a song called, "**Chiang Mai Rose**", superbly unique and very witty.

Shortly after we performed the **Hash Hymn**, led by a strangely silent **SPEEDO PETE**. Then last drinks were called and we all tottered and wobbled off homeward. Hope you all made it safely! Apologies if I forgot anybody.

On-On ! Barnacle Bollox
