Hares: Princess Bum Boy and Jungle Princess

Scribe by: Wank-King's Wanker

Well, I suppose this will be a fairly short scribe. Our very amiable but somewhat forgetful **GM** volunteered your humble scribe about 10 minutes before "*We call on the hares ...*". Seems the rest of you lazy bastards did not step up during the first circle and with all going on it slipped his mind.

Needless to say, I took no notes and wasn't very attentive during proceedings. Perhaps in large part due to extreme drunkenness or perhaps it was my glaucoma medicine cutting in. Regardless, I will embark on this short narrative. If this offering at any point approaches the truth this will be purely accidental.

A fine day for a run as we all gathered at the **Buffalo Bar**. I usually stay behind to make sure everyone gets a ride and had a jar to pass the time. Arriving at the A-site we found a good gathering in fine mood.

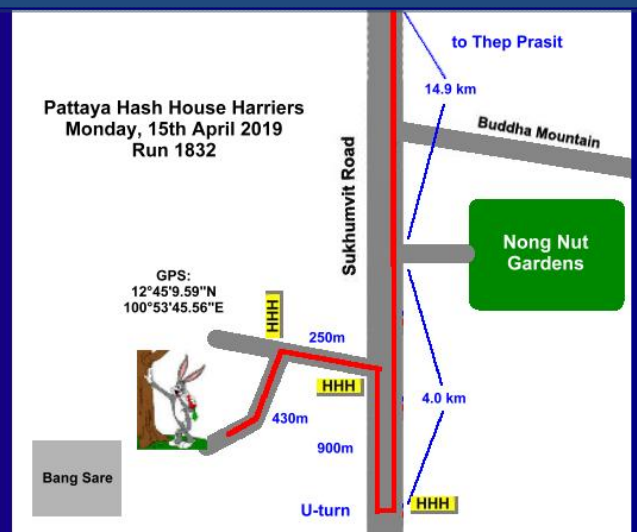

The hares **PRINCESS BUM BOY** and **JUNGLE PRINCESS** produced a great run for us today. I heard through the grapevine that **PBB**, taking full advantage of Thailand's lax child labor laws, had **JUNGLE PRINCESS** walk the whole trail and paper it this morning. But maybe that's just a rumor.

First circle called and the **GM** recited the seeming ever increasing rules governing the day's run. Two virgins introduced, then in with the hares to set the runners off. I saw the **Beer Hunters** shuffling away looking like a shabby group of Chelsea Pensioners. So what the hell, I joined then seeing I was getting a bit dry. We missed leaver **FLYING FINN** since he always buys us a round, but **SIR SPAG** was there so we had a little guy to make fun of.

I sure wish I could tell you which **FRB**'s solved the run first but sorry complete blank. You know who you are and that should serve as praise enough.

Next Run 1832 – April 15th

Hares: Unstable Load, Ninja Princess.
Silent Princess, Noisy Queen, Arse Van Hole

A-Site Mis-Directions:

Drive South from Soi Thep Prasit for 18.9 km passing the entrance to Nong Nut Gardens. Continue for another 4.0 km past Nong Nut to a U-turn (HHH) and head back North for 1 km. Turn left (HHH) into Thetsaban Soi 9 (HHH) and after 250m turn left again (HHH). Follow this road Soi 9/1 for 430m to the A-Site. NOTE: If you reach the Naval Base you have gone too far. Just U-turn there and look for the HHH sign at Soi 9.

Okay, it starts getting really fuzzy about here. So from here on this is pure conjecture. **GM** calls the circle and ices the hares. All agreed it was: a great run, a good run, run was OK, shitty run, worst run ever (**reader to circle correct answer**).

The Raffle was next and the very easy-on-the-eyes **LOVE BOAT** sold a bunch of tickets I'll wager. The **GM** is standing-in as **Raffle Master** and did a fine job off selecting the winners. Late Wednesday afternoon I discovered a tin of biscuits in my backpack and checking the photos I confirmed I had won a prize in the raffle. Other people were there but I don't remember who. I remember they seemed happy.

Next in was our own Super **RA EMPEROR AIRHEAD** regaled us with his wit. Content? Full

Saints and Sinners – 1

REDCOAT - Wanker of the Week;

blank, but he probably did the virgins.

I think I went in next for the awards. I kind of remember this part since I'm always scared witless when I take the circle. Imagine standing inside a ring of big mean-looking, not to mention drunken, thugs staring at you. Anyway I remember I fucked it up intending to have **REDCOAT** and **LORD CHICKEN FUCKER** give the note for the winners. Seems **UNSTABLE LOAD** who hands out the awards was one of the winners (20 Hares shirt) and it got all confused. Others included **HAPPY SURVIVOR** 50 Runs, **GOLDEN RIVET** and **SMOKY TRUCKY FUCKY** 10 Hares shirts,

Next was the cheerfully truculent **RA NO MORE CUM** (aka The Regulator) recounting the sins of the Crashes, the Trashes and such lot. Complete blank here.

When I looked at the photos there was a diving helmet. I thought to myself, "*What the fuck is that doing in the circle?*", then remembered that **KARAMBA** was present so it must be him. Sure enough next photo **KARAMBA** with diving helmet. Next photo I'm on ice with this thing on my head. Did that really happen?

I think about this time the GM volunteered me as scribe. "*A little late, don't ya think?*", I said (I thought to myself).

Then big, scary **RA SCAR W/2TS** did a bit of disciplining and torturing the assembled mob. I remember being bucketed I guess it must have been about this time.

I remember some people singing some stuff and waving their arms and having a beer at the Buffalo Bar.
