Scribe Report – Run 1834 – April 29<sup>th</sup> 2019

A-SITE EDITION

**78 Hashers this week!**

**Hares: VV, Parisian Titi, Two Time and Chip Chip**

**Scribe by: Sperm Polluter**

We arrived at the A site underneath the new road, it was another hot day and the shade provided by the new road was welcomed by all. All sign ups concluded and the GM calls the first circle, the usual protocol ensued, virgins introduced and new shoes christened, namely **BROTHERLY LOVE**, whose shoes didn't look new but just wanted a beer me thinks.

So, over to the hares, **VV, TWO TIME, CHIP CHIP** and **PARISIAN TITI** to provide the chalk talk. They informed the runners of two different trails, one for runners and one for walkers, it was also stated the the run was not too long, (yeah right).

With the chalk talk concluded, the pack was pointed in the right direction and off they went, running blindly into the wilderness. Some 1 hour and 20 minutes later the front runners arrived back at the A site, **HARD ON** and **SPERM POLLUTER** looking completely dehydrated and exhausted from the longer than expected run, the lack of shade and the intense heat.

Once everyone arrived back and suitably refreshed the GM announced the second circle, starting as usual with the run opinion, almost all the hashers consulted deemed it to be a good run, bearing in mind the hares have no control of the weather.

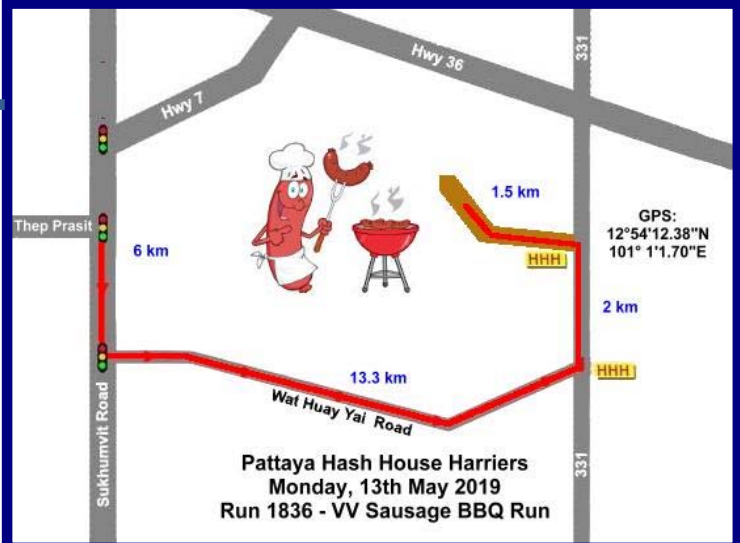

So, onto the raffle, (thanks **CASPER** for selling the tickets). With an array of ridiculously expensive prizes, everyone waited with baited breath to see if they were lucky enough to win.

And the winners are, **EMPEROR AIRHEAD, STUPID KRAUT KUNT** (after 25 years of corruption he finally wins), **TWO TIME, NECROPHILIA NIGHT RIDER, SALON QUEEN, UNSTABLE LOAD, STREET CLEANER, MISS USE ME** and **SMOKEY TRUCKY FUCKY**. Thanks to everyone for supporting the raffle and remember "it's not the winning it's the taking part that matters".

VV Sausage BBQ Run

Hares: VV, Mayo Queen, Two Time

### A-Site Mis-Directions:

From Soi Thep Prasit, follow Sukhumvit Road South for 6.0 km and turn left into Huay Yai Road. Continue 13.3 km to the end at Highway 331. Turn left and head North for 2 km to a dirt road on the left (HHH). Turn into this track and follow for 1.5 km to the HHH sign. The A-site is on the right about 100m in. Please park on the concrete road and hike in to the A-Site.

**EMPEROR AIRHEAD** takes the circle and ices the hares, he informed everyone that in terms of time, **VV** has spent approximately 3 years on the ice during his hash career. When he first arrived at the hash he was fit and handsome, an FRB with big guns, unfortunately it was such a long time ago that **TWO TIME** can't remember, in fact she didn't say much and only communicates with body language.

**EA** invites **Tony** to take a seat on the ice, Tony is from **Holland**, (Dutch, Clogs, Dykes etc), **EA** reminisced about many years ago when he was younger and went out on a date and said it was a Dutch Treat, meaning both parties pay individually. The real reason for Tony to be iced was for his naming ceremony, a number of names are banded about but he ends up with the slightly unusual name of **SISTER FISTER FUCKWIT**.

**EA** invites **STUPID KRAUT KUNT** to take a seat and

informs everyone of how alcohol and sex has fucked him up and that he was once famous in Cambodia, but then again so was Gary Glitter.

Anyway he's off back to his normal job in Berlin, Germany where he's an Assistant Producer for a top TV company. It leads to in interesting story of when Germany won the World Cup and the whole nation were waiting for the TV footage of the triumphant team to step of the plane and up pops **SKK** in front of thousands of people at the airport and millions watching at home on TV, classic Kai.

The **GM** regains control of the circle and immediately puts the new named **SFF** in the bucket for losing the "**Wanker of the Week**" spoon. (And his phone). However, fear not, there is a new award in the shape of a donkey's head, "**The Drunken Donkey**", which was quickly bestowed on **SFF**.

It's time for the awards from **WW**, **VV** gets his 180 hared runs shirt and **ARSE BANDIT** receives 5 hared runs shirt. **HAPPY SURVIVOR** 50 runs shirt, **STREET CLEANER** 100 runs shirt, and **SIR SPAGHETTI HEAD** (as played by **RSB**) 950 runs.

**GM** brings in **CHIP CHIP**, to present her with a birthday cake and express her dedication to the hash cause by laying paper on her birthday. **HARD ON** and **SPERM POLLUTER** are iced for no apparent reason and it's time for the Hares song. The hares decline the offer to show us their talents and **BURL IVES** steps up and gives a rendition

of "**How the Money Rolls In**".

The circle is closing and it time for the final down down beers, **CLASSIC**, **ARSE-HOLEO** and **LUKE SKYWALKER**. Everyone joins in with the **Hash Hymn**, another successful days hashing and On On to **The Buffalo Bar** for more Hash shenanigans, and there were, believe me.
