October, the beginning of the high season and its Oktoberfest again, with the usual A-site with plenty of shelter. New trainee for sign-ups, **FLATULENCE**, was kept very busy with eight hares to record along with many returners, visitors and six virgins. What is it about the Oktoberfest Run that brings everybody out of the woodwork? Even **SIR MC** showed his miserable face.

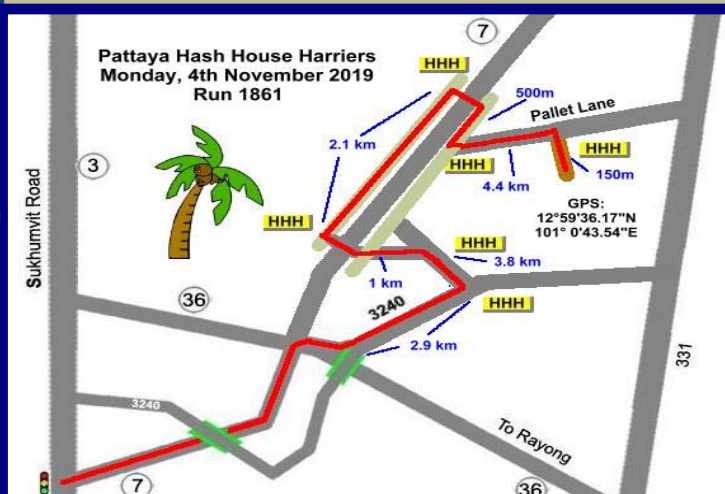

GM calls first circle and looks most resplendent in his lederhosen and feathered hat. The hares also look the part in their dungaree style T shirts. Eight hares, **SOUR KRAUT BONE COLLECTOR, VV, TV, SUPERVIRGIN, VELCRO DICK, PAPIKA SMILEY, BILLION SUCKER** and ably led by the only German, **STUPID KRAUT KUNT**. **SKK** explains there will be a tug of war later in the circle and there are prizes for those finding coasters on the trail. Checks are in white and back checks in blue and a Walkers split marked with a white arrow.

Off we all go and there must have been a check early on as the runners are seen trying to get past the big group of walkers. The walk goes through long grass and some shiggy, empty cassava fields, cassava fields, bamboo groves, shaded jungle areas and ponds until we reach the arrow where the runners trail joins the walkers trail. All good until the walkers find a back check with the sticks missing and are then like headless chickens wandering backwards and forwards and some even going back as far as the joining arrow trying to find trail.

Good old **DEL BOY** is seen flying down a field to join the walkers and he finds the paper through a gnarly grotto to the right that **MR BEAN** didn't want to explore before. A good trail enjoyed by everyone. About 5.5 kms for the walkers and 9-10 km for the runners.

After the run the hares generously treat us to bratwurst or wieners in bread and sauerkraut and later salami and cheese in the circle. Thank you hares.

GM calls second circle and does a good job getting over 100 people in some sort of order and then ices all the hares and asks hashers what they think about the run. A well laid trail with plenty of paper and enjoyed by all. **WANK-KING'S WANKER** is berated for talking again and reminds GM he hasn't found a Scribe yet so **SAUCE FOR THE GOOSE** nobly steps up to fill the gap.

A-Site Mis-Directions:

From Pattaya Klang, head North and take the flyover to Hwy 7. After about 9 km, exit Hwy 7 at Hwy 36 towards Rayong. Keep left on the entry ramp and do not join Hwy 36 but after 1.2 km turn left onto the 3240 heading towards Khao Mai Kaew. After 2.9 km and turn left at HHH sign. Go another 3.8 km and turn left at HHH sign and after about 1 km pass through the tunnel under Hwy 7 and join the Northbound frontage road. Follow this for 2.1 km and pass back under Hwy 7 to the Southbound frontage road. After about 500m and turn left at HHH sign into Pallet Lane. Go 4.4 km and turn right at HHH sign at the rifle range and the A-site is about 150m along.

You would think with over 100 hashers present someone would volunteer,

Raffle time and the winners are, **GIDDY UP**- wine, Jurgen - can't read, **SPANKENSTEIN** - chair, **SAUSAGE HEAD** - beer and pretzels, **TWO TIME** - cookies, **KNICKERLESS** - towels, **GERMAN FRAULEIN** - German T-shirt, and last and best prize of a shaver goes to a Thai girl.

EMPEROR AIRHEAD takes the circle for his usual stint and ices and thanks the hares. **STUPID KRAUT KUNT** and **SUPERVIRGIN** are put on the ice again and given a Thai beer mug. **DIRT LOONEY** and **KARAMBA** are both put on the ice because it is their birthday today. **DIRT LOONEY** is in training again so can't have cake so is given a banana with one candle that he kindly gives to **KARAMBA**. Happy birthday you two.

Award time and **WW** takes the circle to congratulate **REAR GUNNER** for 300 runs and **SUPERVIRGIN** for 50 runs. **TAMPAX** has done 500 runs and has his 500 runs chair but finally he gets a 500 run T-shirt that is to his liking. **TWO**

It's **STUPID KRAUT KUNT**'s time for his raffle from the beer coasters collected and the winners are **TAMPAX**, **TWO TIME**, **NINJA PRINCESS** and **RUNNING DEER** who get a goody bag from Kai and **KARAMBA** wins the prize for most coasters collected. Thank you hares for generously sponsoring the prizes.

Tug of war time and the first teams are the English versus the Norwegians, won by the Norwegians but then disqualified. Several more teams but all seem to be composed of hashers from different countries. Last one is Belgians versus the Scandinavians and Team Scandy win. Norwegians must be the biggest and fattest hashers. The guys get hard ons watching the two teams of Thai girls pulling on the rope and falling on their knees and rolling around in the sand. **MADAM SIN** lost her shoes in the melee. Winning team was awarded 100 Baht each.

Time for the hares song and it's a German one. Final down down and then the Hash Hymn led by **BALL RINGER**, **BEN 10**, **FLATULENCE**, **TAMPAX**, **SIR MC** and **MR BEAN**. The Baht buses are packed back to Soi 6 and Lucky Love Bar for meatloaf

and potato salad and more drinking and fun.

Thank you hares for your generous sponsorship and everyone else involved for another great Oktoberfest.
