A most convivial ride out chatting to good company then the busman floored the pedal in the fast lane before the U turn. That got the heart racing. The A site was on the roadside but fairly remote and we were unmolested for the duration. Well, unmolested if you disqualify **ARSE-HOLEO** and **WANK-KING'S WANKER**. **SCAR W2T'S** fessed up to new shoes which were sandals so old the sole flapped as **THE WIZARD** pointed out.

**BUM BOY** gave the hare brief and off we went into the palm trees as the hare suddenly remembered about checks and back checks, but we were away following a stream bed. It was shaded, flat and decent running, which could be said for most of this great run.

Crossing a small stream I had **LOVE BOAT** and **BALL RINGER** in front of me and Hash Flash **SAUSAGE HEAD** was around and about for much of the first half.

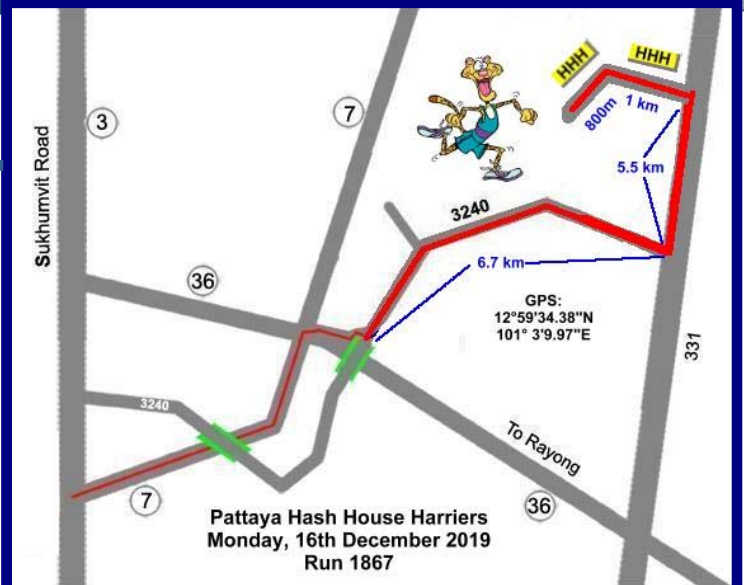

Through the trees and suddenly no paper, then strips went left but runners ahead were straight but silent. Another back check I didn't notice - those blasted blue sticks! As we came into a forest area all confusion broke loose. Runners. Walkers. A steep downhill section. Paper both ways.

**DEL BOY**, usually so quick to read trail, was off in best Freddie Mercury mode, head down, arse up, fists pumping. Only trouble was he was running the walkers' trail backwards until the penny dropped.

At the paper both ways I went right, mostly to avoid **BB's** stentorian comments. After a few hundred meters I realized we were ON and ran with **TOM BOY**, **MOTHER MAY I**, **THE WIZARD**, the Belgium guy in red shirt and naff mullet thingy and **BEETROOT HEAD**. Through sparse forest and rubber trees then out to an open check.

On-on was called straight but I'd gone right so I tried to be clever and managed to get through young tapioca to rejoin trail just ahead of a few FRBs.

Some more forest and palms and walkers were now

### A-Site Mis-Directions:

From Pattaya Klang, head North and take the flyover to Hwy 7. After about 9 km, exit Hwy 7 at Hwy 36 towards Rayong. After 1.2 km turn left onto the 3240 past Khao Mai Kaew. Continue for 6.7 km to Hwy 331 and turn left. Proceed for 5.5 km to a road and turn left (HHH). Continue for 1 km along this road, turn left again (HHH) and the A-Site is 800m along.

converging from the left, including a sheepish **LOVE BOAT** who mumbled something about taking the shorter route in error. I had 7.32 km in 56 enjoyable minutes and it was time to circle up after a yummy **VV** cheese roll.

**GANGREEN** got Wanker of the Week for being a 2 beer thief but it seems the 1 beer rule isn't taken seriously by some. The icings followed thick and fast. **SIR ARSE-A-HOLIC** for leaving red spray can in forest; **EMPEROR AIRHEAD** for claiming a lost blue PH3 cap.

The raffle saw **MAYO QUEEN** win Viagra, **LIBERACE** an orange gorilla and **FCUK OFF** a nice bottle of Vodka amongst others.

The **EMPEROR** noted the moon, Jupiter and Venus aligned and I was tempted to shout out something stupid about Uranus but there were a couple shouting enough stupid comments already. Cookie was re-named **COOKIE MONSTER** and **WKW** splashed **SIR ARSE-A-HOLIC** for his 20th hare. **RSB** sang "Two Little Queens" and **FLAMINGO BUTTPLUG** threw **WKW's** flag away.
