It's Christmas 2019 and that became very apparent as soon as our baht bus pulled up at the A-site at Khao Mai Kaew. A Christmas tree had already been set up near the beer truck, festive hats were on show and there was the odd pile of reindeer shit here and there. At the sign-up, we all received a Santa hat and PH3 calendar for 2020, the first item provided by the hares and the second by the hash. By the end of the evening, these treats would be augmented by Gluwein from the hares together with a small keg of German beer and a bottle of Jägermeister brought by **BAVARIAN BASTARD**. What a merry time we were going to have!

The run used familiar territory, but this didn't detract from the beauty of our surroundings or the challenge of the obstacles along our route. It was a great run, hard on the heels of a similarly beautiful trail last week. So the GM calls the hares on the ice. **LIBERACE**, **SCAR W/2T'S** and **ODD JOB** receive mostly praise, while others can only fault them due to sticks being half painted on the checks.

No sooner is this over with when a wasted-looking Santa stumbles into the circle. Most of us know it is **EMPEROR AIRHEAD** by now, but his performance later on suggests that the inebriation was simply him in character. Presents are distributed to kids and females, leaving the rest of us wondering where equality got lost. **SAUSAGE HEAD** took this bemusement a stage further by attempting to qualify and received time in the bucket in recognition of his efforts.

The Raffle was the next item on the agenda. Confused claimants in the form of **GING GANG GOOLIES**, **WHORE IN THE WINDOW** and **LORD CHICKEN FUCKER** saw either ice or the bucket, while the genuine winners included **LOST CAUSE**, **STEPTOE**, **LIBERACE**, **NO TRUCKIN' IDEA**, **REAL OLD** and **PAPRIKA SMILEY**.

The **EMPEROR** follows and ices the hares in true PH3 tradition. Among other topics discussed, a note is made of the gentle nature of **SCAR W/2T'S** when he orders his first drink in the **TQ** and the complete transformation achieved by the time he orders his 7th! Once the hares have been dispensed with, the **EMPEROR** turns his attention to naming a fellow from the Netherlands by the name of Louis. Our background information includes a suggestion that he has in the past used Polish slave girls in his eating establishments

A-Site Mis-Directions:

From Soi Thep Prasit, follow Sukhumvit Road South for 6.0 km and turn left into Huay Yai Road. Continue 13.3 km to the end at Highway 331. Turn left heading North for 1.44 km to the U-turn (HHH). Proceed South on Highway 331 for 4.5 km and turn left(HHH). Travel on this road for 900m where you will come to the A-site near a pond.

in Germany. He must be using Tinder like me! Anyway, while he might have had hopes of something more appealing, his eventual name became **YIP YIP YEAH MOTHER FUCKER**. Now, who would have imagined that?

Our brewmaster **VV** is the loving husband we know him to be and has arranged for **TWO TIME** to be presented with a birthday cake. The **EMPEROR** conducts the formalities and also presents her with one of his now familiar wooden plaques, pronouncing her to be a PH3 Hash Hero. I couldn't agree more.

After the GM has taken time to recognize the aforementioned generosity of **BAVARIAN BASTARD**, it is time for **WANK-KING'S WANKER** to take to the stage. **VV** receives his 190 hares shirt.....yes, you read that correctly, while **SOUR KRAUT BONE COLLECTOR** collects his 10 hares shirt.

The GM takes control once more by sitting a certain Laurie Pope on ice and his sponsor **SHE'S THE BOSS** in the bucket. Laurie obviously hasn't been named yet, but has done enough hashes to know he should be wearing a hash shirt. His temporary amnesia is further rewarded by being presented with the now familiar hash shirt to wear, with the sleeves stitched up, after it has first been iced in the bucket. He eventually realizes that his attempts to put it on are futile.

We don't yet have a Wanker of the Week, but that is soon to be corrected. We hear a story of **ARSE BANDIT** being involved in a RTC in a vehicle he now knows he is paying for. The crash involves a Russian male of large proportions on a motorcycle and AB gives him

1000 baht even though he is not at fault...and, foolishly, his phone number. Once he has been to get patched up the Russian now obviously wants some more of the same to cover his hospital expenses. **BEETROOT HEAD**, on the other hand, has borrowed **WHORE IN THE WINDOW**'s truck and blamed him for getting a bad back....., because the sun visor strip was too low and caused him to drive in an unnatural position. Neither of these two receives the award. Instead it is presented to **MADAM SIN**, who becomes the first female Wanker of the Week. I missed the reason for this.

When **SCAR W/2T'S** takes the circle it is time for **LITTLE TOMMY 2 LIPS** to sit on the ice, while **WANK-KING'S WANKER** is rewarded for constantly talking by accompanying him in the bucket. **TOMMY** has reportedly not been seen in the Pattaya area since his arrival from Oswaldtwistle some weeks ago and has spent his time touring Laos with his dubious bride-to-be. In the process, he has managed to obtain an unfamiliar tan for a diesel fitter, attributable to his generous use of ladyboy oil...he says.

Now it is my turn to strut around in the middle. I've made a note that **GOOSEY GOOSEY GOBBLER** has failed to wear his Hash Crash helmet and rectify the situation, with the said offender diverted to the bucket. On ice we find today's hash crashes in the form of **GM THE WIZARD** himself and **SQUEALS LIKE A PIG**, fresh into town from Tokyo. **SLAP** acquires the hat from **GGG**. I finally take the opportunity to recognize some well known returners in the form of **BARNACLE BOLLOCKS**, **LTTL**, **SLAP** and **RUDI VÖLLER**.

The GM, having suffered long enough due to **SCAR W/2T'S** absence on the discipline front, questions his deputy for the day **BEETROOT**

HEAD. It is concluded that no red or yellow cards have been shown and that **BH** himself is himself one of the more disruptive elements. He is rightly joined on the ice by **PHANTOM** and **KNICKERLESS**, the cooing love birds.

Before we wrap up, the hares' song is performed by **LORD CHICKEN FUCKER** as only he can. The lyrics include 4 ladyboys, 5 moistened rings and **LIBERACE** up a pear tree. I ask you!

On the baht bus home, it became clear that **LOVE BOAT** has now hit the bottle and life is just as amazing as it always was.

Our on on bar tonight was **The Buffalo Bar** and we thank them for their continued support in a town where hashers don't always realize how fortunate they are.

On-On ! No More Cum
